

Welcome to the 2022/2023 school year with DC Public Schools! Please complete this enrollment packet for the upcoming school year 2022/2023. Step by step instructions are included below. DCPS is committed to protecting the right of every student to attend public school regardless of immigration status or national origin. Accordingly, DCPS allows all eligible District of Columbia residents to attend its schools without inquiring about a student's or family's immigration status.

At DCPS it is our mission to ensure that each of our schools provides a world-class education that prepares ALL of our students, regardless of background or circumstance, for success in college, career, and life. It is an honor and a privilege to serve all students, and we look forward to another wonderful school year.

Please note DCPS is required by law to annually verify the District residency of each family seeking to enroll in DCPS. DCPS conducts this residency verification upon enrollment (residency must be verified within **ten calendar days** from the date the student first seeks to enroll). If you are unable to verify District residency in accordance with District requirements or you fail to agree to pay non-resident tuition, your student will be at risk for exclusion from attending DCPS. For any questions, please contact the DCPS Enrollment Team at enroll@k12.dc.gov.

Unless you or your child are enrolling in a District-wide school or have been afforded a seat in a school due to lottery, special education needs, or other special circumstances, you or your child must enroll in the appropriate DCPS school that serves the zone in which your District residence is located. You may find your attendance zone school by entering your address at the following website: <https://enrolldcps.dc.gov/node/41>.
