### **Consent for Health Services and Treatment**

#### PARENTAL CONSENT FOR RELEASE OF HEALTH INFORMATION

My signature below authorizes release of health information obtained by the School Based Health Center to DC Public Schools and DC Health. This information may be protected from disclosure by federal privacy law and District law. I am further authorizing the School-Based Health Center to release specific medical information to DC Public Schools and DC Health, either because it is required by law or by regulation, or because it is necessary to protect my child's health and safety.

I understand that I do not have to allow release of my child's health information in order for my child to receive treatment, and that I can change my mind at any time and revoke my authorization by writing to the School-Based Health Center. However, after a disclosure has been made, I understand that my revocation does not cover information released prior to the revocation. I also understand that health information disclosed pursuant to this authorization may be re-disclosed by the recipient, who shall provide written notification to the receiving party that this health information is being re-disclosed for the specific stated purpose, and that any additional re-disclosure will require additional consent.

I authorize the School-Based Health Center to release specific medical information of the student named on the reverse page to the DC Public Schools and DC Health.

I understand that the results of reportable diseases and immunizations administered will be released to DC Health and the DC Public Schools. In addition, case records and survey information may be used for program evaluation in accordance with Federal and District laws regarding patient confidentiality.

My signature in the Consent for Release of Health Information section of this form also gives my consent to the School-Based Health Center to contact other providers who have examined my child and to obtain insurance information.

#### Time Period During Which Release of Information is Authorized:

From: Date that form is signed To: Date that student is no longer enrolled in the school

#### PARENTAL CONSENT FOR SCHOOL-BASED HEALTH CENTER SERVICES

**TYES:** I have read and understand the services listed on the previous page (School-Based Health Center Services) and my signature provides consent for my child to receive services provided by the selected School-Based Health Center as long as my child is a student at the school. I further agree that I will promptly inform the School-Based Health Center in writing of any changes in my child's physical or dental health and any change in the custody of my child which affects my ability to provide this consent on behalf of my child.

the school. I further agree that I will promptly inform the School-Based Health Center in writing of any cha dental health and any change in the custody of my child which affects my ability to provide this consent or	
NOTE: In accordance with the Minor's Health Consent Regulation (22-B DCMR 600), parental consent is not diagnosis or treatment of (1) a pregnancy or its lawful termination; (2) substance abuse, including drug an emotional health condition, or (4) a sexually transmitted disease.
