   1. **Select the appropriate link** to complete the enrollment packet.
      
      — Enrollment forms are available in six languages (English, Spanish, Amharic, Vietnamese, French, Chinese). Each language has a unique link.

   2. **Read the cover letter in full.**
      
      — The cover letter includes important information about how to complete enrollment and what documents are needed to submit your SY20-21 enrollment packet.
3. Fill in all required and applicable information requested.
   — There are 7 (seven) pages you must read and complete.
   — All required information is noted by an asterisk (*).

You will then receive another email with a copy of the packet signed by your school. If you want to access your submitted attachments, contact your school. Your enrollment will not be considered final until the school official signs your forms and you receive an email confirming this has happened.

5. Is the electronic submission process mobile-friendly?
Yes. The electronic submission process for SY20-21 enrollment is mobile-friendly and can be completed from a smartphone or other mobile device. If you are required to upload documents, please make sure you have these documents or pictures available on your mobile device.

6. What if I need help electronically submitting the SY20-21 enrollment packet?
Please contact your school or enroll@k12.dc.gov if you need help with submitting enrollment to your school in any way.

7. What if I do not have access to a mobile device, computer, or laptop that is required to submit the SY20-21 enrollment packet? Please contact your school or enroll@k12.dc.gov if you require an alternate enrollment submission process.
8. Where can I find the DCPS SY20-21 Enrollment Packet and other enrollment-related forms?
The SY20-21 DCPS Enrollment Packet and other enrollment-related forms can be found here.

9. Are there changes to how families prove DC residency?
For SY20-21, there are no changes in requirements for families, but alternative methods for
submitting the necessary documentation will be available. All families will still complete a DCPS
enrollment packet, prove DC residency, and submit all documents to their school. Acceptable proof
of DC residency documentation can be found here.

Because school buildings are closed until the end of the school year, families will not be able to
submit enrollment paperwork in-person until further notice. To support families and schools, DCPS
has determined an appropriate process for online submission of all enrollment documentation,
including DC residency paperwork and the ability to provide e-signature options for families. This
option is now available as of Monday, April 27.

10. Are there changes to the health-related enrollment requirements for SY20-21?
Given the changes to the enrollment process noted above, OSSE will now require that students and
families provide Universal Health Certificates and Oral Health Assessments at the start of SY20-21,
instead of at the time of enrollment. As a reminder, all students must be up to date on their
immunizations in order to attend school.
