2020 FAMILY GUIDE TO DCPS HIGH SCHOOLS

ABOUT THIS GUIDE

What is the purpose of this guide?

Use this guide as a tool to learn about DCPS high schools, the amazing programs offered, and how your student can enroll.

How do I use this guide?

Find	Find your neighborhood school: enrolldcps.dc.gov/node/41
Learn	Determine schools that are a great match for your student. DCPS high schools offer exciting programs such as Dual Language, STEM, AP courses, and more!
Visit	Many schools offer open houses. Check them out: enrolldcps.dc.gov/node/16
Apply	Some schools require an application. Learn more about the My School DC lottery application at www.myschooldc.org
Read	Read the DCPS Enrollment and Lottery Policy Handbook to learn policies and procedures, and for answers to commonly asked questions at enrolldcps.dc.gov/node/66
Enroll	Enrollment typically begins in April of each year. Visit EnrollDCPS.dc.gov for more information.
Plan	Review the Career Education Pathways available at each DCPS high school on pages 26 and 27 of this guide.
Graduate	DCPS strives to empower our students on their path to graduation with the tools they need to be successful by creating policies that are supportive, inclusive, and equitable. Learn about our graduation policy here: dcps.dc.gov/prektograduation

MY SCHOOL DC LOTTERY

The My School DC lottery gives families the opportunity to apply for available seats in early childhood programs for 3- and 4-year-olds, out-of-boundary DCPS schools in grades K-12, citywide schools, DCPS application high schools, and participating charter schools. A single, random lottery is run by My School DC to determine placement of new students at all participating schools. The Office of the State Superintendent of Education oversees the My School DC lottery in collaboration with DCPS, the Public Charter School Board, and participating charter schools.

To learn more about the lottery process, visit: www.myschooldc.org

KEY WORDS

Destination school (also feeder pattern school): A middle, high, or education campus school that a student has a right to attend based on the student completing the terminal grade at an elementary or middle school during the previous school year.

In-boundary school (also neighborhood school or zoned school): A school that a student has the right to attend based on a student's home address. To identify your student's in-boundary school, visit enrolldcps.dc.gov/node/41

Out-of-boundary school: A school other than a student's in-boundary or feeder pattern school.

My School DC application: An online application families must use to apply for DCPS out-of-boundary schools (K-12), all DCPS preschool (PK3) and prekindergarten (PK4) programs, citywide schools, DCPS application high schools (9-12), and participating public charter schools.

My School DC common lottery: A single, random lottery that determines placement for students at all participating My School DC lottery schools.

Application high school and program: A DCPS high school or program that requires an application for entry into the school. There are two types of DCPS application high schools and programs.

Citywide: A school that does not have a designated boundary and therefore cannot be claimed as an in-boundary/zoned school. Citywide schools can only be accessed through the lottery and do not provide guaranteed enrollment to any student/family. *Ron Brown is the only DCPS citywide application high school.*

Selective: A DCPS high school or program that admits students based on specific eligibility criteria and requires application for entry into the school. All students eligible to enroll in grades 9-12 can apply, but only those who meet a selective high school's or program's requirements will be eligible to attend.

KEY DATES

enrolldcps.dc.gov/keydates

ANACOSTIA

"Greatness is not derived from a school's name or reputation. It's the students, staff, and community that make Anacostia High School great, day in and day out."
— Kadeem, Class of 2019

Why Anacostia High School?

At Anacostia Senior High, we are proud to be the heartbeat of Southeast, Washington, DC. Every day our core values of Collaboration, Instruction, and Accountability are at the forefront of our daily work. Our #WhyAna campaign has been central to helping our community see the power, intellect, and beauty that lives inside of our four walls.

Social-emotional learning is at the core of our work. When students' emotional needs are met, they are ready to learn. Our focus on addressing the social-emotional needs of our students has had an impact in the classroom. In addition, our Public Safety Academy recently won Georgetown's City-Wide Mock Trial tournament. This year several students will study abroad in countries such as Ecuador, Spain, and Costa Rica, to expand their understanding of the world. We are working on new and innovative ways to continue to meet the very real challenges our students face while providing them a robust education that prepares them to be global citizens.

Anacostia is proud to meet the unique needs of our students. In partnership with leaders across the district we are committed to meeting our Capital Commitment to serve every student every day through equity, excellence and opportunity.

BALLOU

"I love and appreciate Ballou for preparing me for college! This school offers courses like AVID, which helps us prepare for life after high school, scholarships like 'Friends of Ballou,' and other resources to make college more affordable. The environment at Ballou provides another support system, which makes you feel like you have a second family." — Litzzi, Class of 2017

Why Ballou Senior High School?

Ballou offers a myriad of academic programs that allow students to explore and reach their maximum potential. These programs include honors and AP courses, grade-level academies, inclusion classes for special needs students, and more than 50 partnerships with national and community organizations. The school is known for its distinguished NAF Academy of Hospitality and Tourism as well as 4 other strong CTE programs that prepare students for college and career. Ballou also offers AVID and College Summit programs. Ballou is committed to using restorative practices, project-based learning, and career academies to ensure all students are prepared for life after high school. More than 10 percent of the graduating seniors are selected for the Achievers Scholarship from the Bill & Melinda Gates Foundation.

BANNEKER

"College is really easy... Banneker prepared me... my professors are covering things I already learned in high school. Thank you!!!"

— Kamau, Banneker Alumnus

Why Benjamin Banneker Academic High School?

At Benjamin Banneker Academic High School we develop our students' life-long skills for learning, sound moral character, and regard for the welfare of the community. We equip our students with a variety of educational tools needed to achieve academic excellence and ensure our students' preparation for, and admission to, a four-year college or university. Our students are prepared for future leadership roles and are empowered to compete globally. It is our belief that all students are capable of significant academic success, and of becoming productive and caring citizens within the community. Banneker has implemented an academic program and an environment that allows students to compete globally. The faculty and administration have the experience and qualifications to carry out Banneker's mission. There is a commitment of the Banneker community to model, uphold, and enforce high standards of learning and citizenship, and to work collaboratively to remove any obstacles to a student's success.

"I think the college courses are going to be challenging, and as the first class, we are going to set the example. We will have a head start in college, and Bard is going to set us up for success." — Immanuel Meachum, Class of 2023

Why Bard High School Early College DC?

Bard High School Early College DC (Bard DC) operates through a partnership between Bard College and DCPS. Students have the unique opportunity to earn 60 transferable college credits and an Associate in Arts degree from Bard College alongside a high school diploma, free of charge. Students in grades 9-12 are taught by college faculty in seminar classes, where they develop foundational knowledge across the liberal arts and sciences as well as skills of writing, critical thinking, and communication. Students matriculate into the Associate's degree program after the 10th grade. Bard DC prepares students to enroll in four-year colleges and universities, often with advanced standing. Bard DC is part of a national network of Bard Early Colleges serving over 2,850 students in five states.

What great courses can I take?

The majority of faculty at Bard DC have a terminal degree (e.g. PhD, MFA) in their field of study and college teaching experience, and college electives will vary depending on faculty expertise. The requirements for the Associate's degree include the Seminar Sequence (four-semester Great Books course) and courses in science, mathematics, literature, history/social science, foreign language, and the arts. The following courses are drawn from other Bard High School Early College campuses.

College Course Examples

(likely offered in school year 2019-2020 and beyond)

- African-American History
- Chinese Myths and Fables
- College Algebra
- College Biology
- College Chinese
- College Precalculus
- College Probability and Statistics
- College Spanish
- Composition
- Computer Science
- Creative Writing
- Difficult Questions: Race, Class, Religion
- First Year Seminar and Sophomore Seminar (signature humanities course)
- Graphic Novels

- Infectious Diseases
- Introduction to Art History
- Latin American Literature
- Studio Art
- World Dance

High School Course Examples

(likely to be offered in school year 2019-2020)

- Algebra
- Biology
- Chinese
- History of the Americas
- Introduction to Art
- Literature of the Americas
- Spanish

What programs can prepare me for college and career?

The Bard Early Colleges are founded on the belief that many high-school-age students are eager and ready for the intellectual challenges of a college education. Bard DC prepares students for success in bachelor's degree programs and a wide range of careers. Specific programs:

- Associate in Arts degree program (worth 60 college credits transferable toward a bachelor's degree program)
- College visits
- College Transfer Office program (helps students select strong four-year college matches)

What extracurricular activities can I join?

Extracurricular activities at Bard DC are student-driven. Popular activities at other Bard High School Early College campuses include:

- Anime Club
- Basketball
- Chess Team
- Debate Team
- Film Club
- Future Health Professionals Club
- Literary Magazine
- Mock Trial
- Soccer
- Social Action and Civic Engagement Clubs
- Step Team
- Student Government
- Track
- Volleyball

CARDOZO

"Cardozo is a school that has given me many opportunities. The TransSTEM Academy exposed me to many professional environments allowing me to get out of my comfort zone and grow. The staff continuously checks up to see how I am doing. Cardozo is a very supportive school with many fundamental resources." — Cynthia, Class of 2018

Why Cardozo Education Campus?

Cardozo Education Campus creates educational and social experiences that prepare students with the knowledge and skills necessary for success in the global community. In addition to a newly renovated, state-of-the-art, green building, Cardozo provides a safe, supportive, and nurturing environment that fosters the growth of all educational stakeholders through a social contract based on teamwork, work ethic, integrity, respect, and leadership.

CHEC

"CHEC is an amazing, culturally diverse school – a learning environment with strong college-going culture that is rooted in social justice. The teachers are very supportive and there are so many resources available to help students succeed academically and for life in general. CHEC challenges with diverse course offerings, AP subject courses, stimulating internships and opportunities for international academic exchange. You will find it all here at CHEC."

— Jessica, Class of 2019

Why Columbia Heights Education Campus?

CHEC is a unique globally-themed 6-12 dual language campus that blends rigorous instruction with personalized education, driven by technology, bilingualism and social justice. All students in 9th and 10th grade have their own laptops. On April 17, 2016, CHEC was once again named by The Washington Post Challenge Index as one of the top high schools for students in the Washington area. CHEC is also a Restorative Justice and Empowerment of Young Men of Color school. All students interested in grades 9-12 must apply through the My School DC lottery to be considered for admission.

In 2019, CHEC was one of the 65 schools in the District that got a 3+ Stars rating. Our AP Participation rate was 98.56%. Our graduation rate was 16% above the city average and our daily attendance rate was 27% above the DC average.

COOLIDGE

"My success, my scholarship awards, and my drive to do better are all due to the faculty and staff at Coolidge High School. During my junior year, I traveled to Guatemala with the Study Abroad Program and was able to identify a greater sense of self, purpose, and drive. This year, as a senior, I've received over \$120,000 in scholarships and have been accepted into 16 colleges and universities. The teachers here at Coolidge made sure that I had an exceptional education and, in turn, an exceptional future." — *Jayla, Class of 2018*

Why Calvin Coolidge High School?

Coolidge is committed to providing "Excellence in Education" for all students. Through program design and rich learning experiences, students will be provided many opportunities to achieve academic excellence, where each student will reach his or her highest potential. Coolidge students will graduate as lifelong learners who will make valuable contributions to society. Through the collaboration of stakeholders, every Coolidge graduate will be well-prepared for the demands of a global society and beyond.

EARLY COLLEGE ACADEMY AT COOLIDGE

"We are excited to work with Trinity Washington University to build the Early College Academy because our students deserve this opportunity. Our goals for this partnership are to ensure that students experience a seamless transition to college and to remove many of the barriers to post-secondary success. Moreover, we want our students to be challenged, loved and to truly enjoy learning!" — *Principal Semanthe Bright, Early College Academy at Coolidge High School*

Why the Early College Academy at Coolidge?

The Early College Academy at Coolidge High School (ECA at Coolidge) will provide students the opportunity to earn up to 60 transferable credits towards an Associate Degree, tuition-free, while earning their high school diploma. Students will complete rigorous academic coursework in 9th and 10th grades on the Coolidge campus and a college curriculum on a university partner campus. Trinity Washington University and DCPS are finalizing their partnership for the Early College Academy at Coolidge.

What great courses can I take?

Students in the Early College Academy will complete high school courses, over 60 transferable college courses and the opportunity to earn an Associate Degree.

Some examples of the high school courses include:

- Honors Algebra
- Honors Biology
- Honors Chemistry
- Honors ELA
- Honors World History

Some examples of college coursework include:

- College Algebra
- College Biology
- College English Literature
- Information Literacy
- Politics, Power, and You
- Public Speaking

What programs can prepare me for college and career?

The Early College model is known for a specific focus on combining high school and college in "rigorous, yet supportive environments that embrace acceleration over remediation". Students will gain a head start experiencing college-level coursework, and gain access to other engaging experiences including:

- Early College Summer Bridge
- College Tours
- College Workshops
- Dual Enrollment
- Early College Exposure
- Naviance

"It's great to finally have a program like this for my son. We know how hard and expensive college will be. So it's amazing that the kids will get early preparation at a great college like Trinity AND save money!" — *Parent of Prospective ECA at Coolidge Student*

DUNBAR

"I love attending Dunbar because my teachers help me strive to be excellent, and they never let me give up on myself. The opportunities provided to me at Dunbar, like Law Camp and the Public Policy Academy, are helping me prepare for college and for my future. My classmates allow me to be myself and accept me as I am, which has helped me to grow and to become more confident." — *Keevsayah, Class of 2020*

Why Dunbar High School?

Dunbar High School provides an all-inclusive instructional program that fosters maximum academic achievement, enabling our students to become lifelong learners and productive citizens. Dunbar students are encouraged to be well-rounded individuals through embodying our school values of being dedicated, honorable, and scholarly citizens. Dunbar scholars have the opportunity to thrive through participating in one of our three academies, numerous extracurricular activities, and various service learning projects.

EASTERN

"The International Baccalaureate Program at Eastern allows me to explore my personal interests, both inside and outside of the classroom. I get to specialize in topics I like while preparing for the workload I will face in college. I've also developed strong time management skills, balancing my classes, playing saxophone in the marching band, and starting a tutoring program at my elementary school." — *Louis, Class of 2018*

Why Eastern High School?

Eastern, an International Baccalaureate World School, provides engaging, college-preparatory coursework and extracurricular activities that ensure all students graduate with the knowledge, character, and confidence to be global leaders. With support from teachers and community partners, students set a course of excellence. Our vision is to be the highest-performing comprehensive high school in DCPS by 2020.

"There are powerful phoenix stories at this school, and a teacher attached to every single one of them. Ellington's faculty taught me the art of self-encouragement. They taught me to be confident, hard-working, diligent, detail-oriented...all the skills you really need to succeed." — *Yahzarah, Class of 1998*

Why Duke Ellington School of the Arts?

Duke Ellington is the only high school in DC that combines a full college preparatory curriculum with intensive pre-professional arts training in one of eight majors: dance, instrumental music, literary media & communications, museum studies, technical design & production, theatre, visual arts, and vocal music. Ellington serves diverse and talented students from all wards of the city. Ellington re-opened its R Street campus in Georgetown for the 2017-2018 school year. The renovated building features state-of-the-art facilities to mirror the world-renowned program.

MCKINLEY TECH

"My overall experience at McKinley has been a huge blessing. It has provided me opportunities and networks in and out of the classroom which is very vital when attaining a desire to be successful in your post-secondary education endeavors. It has promoted me to never be complacent and improved my time management skills especially when being involved in numerous activities. If I had a chance to travel back to 8th grade during high school selection process, I wouldn't change a single thing in my decision for the next four years of high school."

— Chisom, Class of 2019

Why McKinley Technology High School?

McKinley Technology High School is a National Blue Ribbon, selective-enrollment, fully comprehensive, STEM high school equipped with all the perks of a traditional school! Our transformative learning community has been located in the Eckington neighborhood of Northeast Washington, D.C. since the early 1920s and has a legacy of preparing the next generation of technical professionals in the fields of Biotechnology, Computer Science and Engineering. McKinley Tech scholars have the opportunity to engage with current industry leaders as members of our Distinguished NAF Academics through internships, job shadowing and pre-college dual enrollment courses at local institutions such as Georgetown University, George Washington University, and Trinity Washington University.

PHELPS

"Phelps is an astounding and broadening environment that offers a quality education. Incoming students should choose Phelps because of the life-changing and positive opportunities that our school provides. Phelps offers an experience that will brighten the futures of all those who attend." — Catherine, Class of 2018

Why Phelps Architecture, Construction and Engineering High School?

Phelps is an application high school that draws students from across the District. We prepare students for college AND career through our rigorous college prep curriculum and our Career and Technical Education programs. We prepare students for higher education by challenging students in their core content classes, in Advanced Placement (AP) courses in many content areas, in World Languages of Chinese and Spanish, and through college visits. Students select a career pathway in architecture, construction, engineering, or Cisco computer networking. In their pathway, they can earn industry certifications that pave the way to accessing high-paying career fields. Workplace learning experiences provide opportunities both in our modern facility and outside at industry locations about the area.

RON BROWN

"Ron Brown has limited distractions, with many opportunities for one-on-one time with teachers because of small class sizes. I really enjoy my English I class because Ms. G makes the content engaging and relevant to me." — Daequan, Class of 2020

”

Why Ron Brown College Preparatory High School?

Ron Brown is an all-male public high school that recognizes the importance of educating and developing the entire young man. Ron Brown's curriculum infuses culturally-responsive teaching and social emotional learning opportunities. Driven by the pillars of High Character, Academic Curiosity, and Service to the Community, we seek to prepare our students to be compassionate, honest, disciplined, respectful, and courageous young men who utilize their voices to advocate for themselves and others. We seek to create a safe community of learning that allows students to safely fail in order to develop grit and perseverance towards academic and social challenges. Ron Brown will prepare young men to be competitive in their post-secondary pursuits.

ROOSEVELT

"Roosevelt is where I discovered my passion for activities like Street Law and Model UN. Learning about events in other countries prepared me to serve as an ambassador to a French exchange student for two weeks. Having a student shadow me at Roosevelt was a great experience. This opportunity allowed me to learn the differences and similarities between French and U.S. schools while gaining a new friend in the process." — *Oluwafunmilayo, Class of 2019*

Why Theodore Roosevelt Senior High School?

Theodore Roosevelt Senior High School Global Studies Campus engages students in an educational experience that fosters international understanding and welcomes diversity of thought, while preparing students for a globally interconnected world. With our International Academy program, we serve scholars new to the United States. For families and students seeking a globally-focused career and college preparatory experience and for those who want to be part of a transformative movement, Roosevelt is the multicultural comprehensive neighborhood high school of choice.

SCHOOL WITHOUT WALLS

"My utmost appreciation goes to all of our amazing teachers, the staff, my Principal and Assistant Principals and especially my school counselor, for these guys helped me mature, pushed me to learn from those interesting failures, and provided me with some of the best and most cherished advice, including the idea that it is not the storms in life that define you, it is how you dance in the rain." — *Jacob, Class of 2019*

”

Why School Without Walls High School?

School Without Walls' philosophy is based on experiential and interdisciplinary teaching and learning methodology. All students are exposed to a rigorous college preparatory program that incorporates field trips locally, regionally, nationally and globally to promote global citizenship.

WILSON

"I love Wilson for so many reasons that it is hard to list them all. First of all, Wilson offers its students numerous activities and classes that there ends up being something for everyone no matter what they are interested in. Personally, my favorites have been student government and The Beacon, our school newspaper, as they have allowed me to be highly involved with both the student body and administration. Another reason I love Wilson is the people. As I leave for college, I know that I will never be in an environment like Wilson, in which you can meet people from all backgrounds and learn about their life experiences. My four years at Wilson have not only prepared me academically but also equipped me with self-advocacy, something I am genuinely thankful for and will be incredibly useful in the future." — *Ethan, Class of 2019*

”

Why Woodrow Wilson High School?

Woodrow Wilson High School is the District of Columbia's largest and most diverse comprehensive high school. More than 90 percent of Wilson graduates attend college in 40 states and three countries and 2019 graduates were collectively offered over \$33 million in scholarships. Wilson offers nearly 30 AP courses and 13 honors courses. In 2011, Wilson underwent a complete modernization and was later honored as a Green Ribbon School with LEED Gold certification. Wilson is proud to offer seven academic and career academies, including SciMaTech, Finance and the Academy of Hospitality and Tourism.

WOODSON

“There are a lot of great opportunities at H.D. Woodson. At Woodson I am always being challenged to set and meet high expectations. As a member of the school’s NAF IT Academy, I am being prepared for high-skill and high-paying IT careers, which I would have never thought of as an option, if not for the Academy.”
 — Terrell, Class of 2018

Why H.D. Woodson Senior High School?

H.D. Woodson is committed to a standards-driven education in which all scholars can succeed. Woodson is known as the only neighborhood high school in the district to be designated as a STEM high school. H.D. Woodson has a strong academic legacy as well as an impressive history of athletic achievement. In addition to offering a variety of extracurricular activities, Woodson offers several AP and Honors courses, AVID (Advancement Via Individual Determination), DUAL Credit Access, and JROTC. With a strong focus on both college and career readiness, Woodson provides Wall to Wall STEM Academies focused in Information Technology (IT), Engineering, and Business Finance/Real Estate. Woodson provides a safe, nurturing, and well-rounded educational experience for all of its scholars.

What great courses can I take?

PREPARING YOUR CHILD FOR SUCCESS IN COLLEGE AND CAREER

**BY THE
YEAR
2020**

76%

of jobs in the DC area will require some form of postsecondary education. Within DCPS high schools, **we offer many resources** to prepare our students to succeed in college and career.

Career Education Pathways

Career Education Pathways are rigorous, engaging, lead to college, and include the following components:

**Industry-valued
certification exams**

**Paid summer and
school-year internship
opportunities**

**Employability
skills training**

**College and career
field trips**

Students interested in enrolling in a Career Education Pathway should speak with their school's counselor and teachers.

**DCPS OFFERS
20 CAREER
EDUCATION PATHWAYS**
ACROSS OUR HIGH SCHOOLS

Each Career Education Pathway consists of 3 or 4 courses that students take in addition to their core high school classes.

**For more information on college and career programs, go to
dcpscollegeandcareer.org**

DCPS GOES TO COLLEGE!

It's never too early to start preparing for college!

All these resources are available to all DCPS high school students and families.

Career Technical Education (CTE) Programs & Career Academies: DCPS operates 50+ CTE programs within 20 different Career Education Pathways across 17 DCPS high schools. CTE Programs are rigorous and engaging, they prepare students for several postsecondary opportunities, and include: sequential career-themed courses, work-based learning opportunities, the opportunity to earn early college credits and industry-recognized certifications. In our efforts to enhance and support our CTE programming, DCPS currently operates 21 NAF Career Academies at 11 high schools throughout the city (10 of these Academies started this school year). Each academy is centered on one of several career themes: Engineering, Hospitality, Health Sciences, Transportation, Mass Media or Information Technology (IT), that align closely with high-wage, high skill, and high-demand jobs in the District. Embedded within the Career Academy model is a strong student and teacher support structure, college and industry partnerships, career-focused internships, and rigorous curricula that culminate in industry recognized certifications. All Career Academies are supported by industry advisory boards (IABs), whose members include leaders from the fields of business and higher education.

Naviance: Use Naviance to learn more about colleges and career opportunities available to you, and track your progress towards meeting your postsecondary goals.

dcps.dc.gov/page/create-smart-college-list-naviance

SAT Test Prep: Almost all colleges require applicants to submit SAT/ACT scores. All DCPS students will take the PSAT and SAT in school for FREE. Practice makes perfect! All DCPS students can take SAT Test Prep for free via the College Board's Khan Academy.

www.khanacademy.org/sat

DCPS Scholarships & Financial Aid: College tuition can be expensive but there are many financial aid and scholarship options available that can make it affordable. DCPS sends out a monthly scholarship and financial aid newsletter (Dollars4College). Students, families and staff can sign up here: bit.ly/dollars4collegesignup
bit.ly/2NOmWT4

Dual Enrollment: In collaboration with local colleges and universities, DCPS offers its students the opportunity to maintain their high school status while enrolling part-time or full-time at a participating college or university. dcps.dc.gov/node/1013692
