December 2021

# SY22-23 District of Columbia Public Schools Enrollment and Lottery Handbook

Submitted by: Strategic School Planning and Enrollment, Office of the Deputy Chancellor

## **DCPS Notice of Non-Discrimination**

In accordance with Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, the Age Discrimination Act of 1975, Title II of the Americans with Disabilities Act of 1990, the Genetic Information Nondiscrimination Act of 2008 and the D.C. Human Rights Act of 1977, as well as all subsequent amendments of these acts, District of Columbia Public Schools (DCPS) does not discriminate in its education programs or activities (including employment therein or admission thereto) on the basis of actual or perceived race, color, disability, religion, national origin, sex, age, marital status, personal appearance, sexual orientation, gender identity or expression, family status, family responsibilities, matriculation, political affiliation, genetic information, source of income, credit information, or status as a victim or family member of a victim of domestic violence, sexual offense or stalking. Sexual harassment is a form of sex discrimination, which is prohibited by Title IX of the Education Amendments of 1972. In addition, harassment based on any of the protected categories listed above is prohibited.

The policies and procedures discussed in this handbook are designed to ensure that DCPS does not discriminate on the basis of any of the above-referenced protected categories when admitting or enrolling students. To view our Notice of Non-Discrimination, relevant policies and to learn more about Anti-Discrimination within DCPS visit: [dcps.dc.gov/anti-discrimination](https://dcps.dc.gov/anti-discrimination). For more information or to file a complaint, contact the Comprehensive Alternative Resolution & Equity (CARE) Team at 1200 First St NE, 9<sup>th</sup> Floor, Washington, DC 20002; by phone at (202) 442-5405 or by email [dcps.care@k12.dc.gov](mailto:dcps.care@k12.dc.gov). [the \(CARE\) Team](#) In addition to receiving claims of discrimination, the CARE Team is also responsible for receiving claims of bullying, denial of rights, or unfair treatment a student, parent or visitor encounters at a DC Public School. For more information visit: <https://dcps.dc.gov/page/studentparentvisitor-grievance-process>.

## About the District of Columbia Public Schools Enrollment and Lottery Handbook

The District of Columbia Public Schools (DCPS) Enrollment and Lottery Handbook outlines and provides guidance to families and schools on the rules, guidelines, procedures, and practices for admission and enrollment in DCPS for School Year 2022-23. The handbook discusses school admissions by right, by lottery, and by formal placement, as well as other enrollment circumstances and information.

**General Enrollment Questions**  
*Contact the Enrollment Team*  
[enroll@k12.dc.gov](mailto:enroll@k12.dc.gov) or (202) 478-5738

### Key Terms

**Adult Student:** A student who is 18 or older at the time of enrollment and eligible to complete enrollment themselves. If an adult student is residing with a parent, the adult student may establish residency using the parent's address and verify District residency with a [sworn statement](#) and valid supporting residency documentation. If a student is under 18 at the time of enrollment but turns 18 during the school year, they remain a District resident and they do not need to re-submit enrollment paperwork through the end of the current school year.

- Review [OSSE's Office of Enrollment & Residency Handbook](#) for more details.

**Citywide School:** A school that does not have a designated boundary and therefore cannot be claimed as an in-boundary school. Citywide schools can only be accessed through the lottery and do not provide guaranteed enrollment to any student/family. Students from across the District of Columbia must submit a My School DC lottery application to attend a citywide school. Students are not eligible to receive proximity preference at citywide schools.

- Review SY22-23 citywide schools on page 35.

**Compulsory Grade(s):** Grade(s) that generally correspond to the age range during which students are required by law to attend school. In the District of Columbia, students are required by law to attend school between the ages of 5 and 18, which corresponds to kindergarten through grade 12. A student must be 5 years old by September 30 to be considered of compulsory school age and enroll in kindergarten.

**Custodian:** A person to whom physical custody has been granted by a court of competent jurisdiction. (5-A DCMR § 5099)

**Dual Language Program:** A program that provides some or all its core instruction in a language other than English. Some dual language programs are whole school programs; some schools offer a dual language program strand and a non-dual language program strand. Dual language programs do require a lottery application to participate.

- Review SY22-23 Dual Language programs on page 35.

**Early Action Pre-Kindergarten Schools:** Early Action Pre-Kindergarten (PK) schools guarantee access to all in-boundary families in preschool (PK3) and prekindergarten (PK4). To secure an Early Action PK seat, in-boundary families must submit a My School DC lottery application online to their in-boundary school by the PK3-8 deadline. In-boundary families who submit a My School DC application by the deadline are guaranteed an Early Action PK match if they are not matched to any other higher-ranked school.

- Review SY22-23 Early Action PK schools on page 15.

---

---

**Feeder Pattern School:** A feeder pattern school is a school that a student has the right to attend based on completion of the terminal grade of a student’s current school. This assignment only happens during the years a student moves from elementary to middle school, or from middle school to high school, or from an education campus to high school. There are two types of feeder patterns:

- **Geographic Feeder Pattern:** Geographic Feeder Pattern schools are grouped by school boundary and proximity. Geographic feeder pattern rights extend to students who enrolled in a school through a formal placement as well as to those who enrolled out-of-boundary through the My School DC lottery. Geographic feeder pattern rights do not extend to students who enroll as in-boundary students and then move out of the boundary, or to out-of-boundary students who withdraw before completing their school’s terminal grade. For more information about moving out-of-boundary after enrolling, see page 9.
- **Programmatic Feeder Pattern:** Programmatic feeder pattern schools/programs are organized by a specialized program of study (such as dual language). A programmatic feeder pattern provides the right for a student enrolled in a specialized school/program to enroll in the next level school within the specialized course of study as they transition into middle school or high school.
  - Review SY22-23 feeder patterns on page 10.

**Geographic Feeder Pattern:** See *Feeder Pattern School* above.

**Guardian:** A person who has been appointed legal guardian of a student by a court of competent jurisdiction. (5-A DCMR § 5099)

**In-Boundary Preference:** A lottery preference that only applies to DCPS preschool (PK3) and prekindergarten (PK4) at in-boundary schools, or to students in K-5 applying to the Dual Language strand at their in-boundary elementary school. PK3 and PK4 applicants receive a lottery preference at their in-boundary DCPS school. K-5 students who’s in-boundary school offers a dual language strand will also receive an in-boundary preference if applying to the dual language strand. See page 37 for more information on applying to in-boundary dual language strands.

**In-Boundary School (also Neighborhood or Zoned School):** A school that a student has the right to attend based on a student’s home address.

- To identify a student’s in-boundary school, go to [enrolldcps.dc.gov/node/41](https://enrolldcps.dc.gov/node/41).
- See page 11 for maps of the SY22-23 school boundaries by school level.

**Lottery Preference:** A special designation given to lottery applicants, depending on specific criteria. DCPS assigns lottery preferences and offers available spaces to students in accordance with assigned preferences.

- Review DCPS preference types on page 16.

**Montessori:** The goal of Montessori education is to foster a child’s natural inclination to learn. Montessori teachers guide rather than instruct, linking each student with activities that meet their interests, needs, and developmental level. The classroom is designed to allow movement and collaboration, as it also promotes concentration and a sense of order. Review DCPS Montessori schools/programs on page 36.

---

**My School DC Application:** An online application that families must use to apply for all DCPS preschool (PK3) and prekindergarten (PK4) programs, including at their DCPS in-boundary school; DCPS out-of-boundary schools (PK3-12); DCPS dual language strand programs at any DCPS school (PK3-5); DCPS citywide schools (PK3-12); and DCPS selective high schools and programs (9-12). Participating DC public charter schools also use the My School DC Application. The My School DC application is available at [MySchoolDC.org](https://myschooldc.org). Families can call the My School DC hotline for support: (202) 888-6336.

**My School DC Lottery:** A single, random lottery that determines placement for new students at all participating My School DC lottery schools.

- To learn when a lottery application is required, see page 14.
- For Key Dates related to the My School DC lottery, see page 15.

**My School DC Mid-Year Application:** The application for students in grades PK3-12 who move into the District or who seek to transfer from their current school to another DC public school (DCPS or charter) during a given school year. For more information about mid-year application, see page 33.

**My School DC Post-Lottery Application:** The application used to apply to participating schools if a family misses the lottery application deadlines for a given school year or seeks to apply to additional schools. The Post-Lottery application period extends from the day after an application deadline through October 5, 2022, for all grades. The My School DC Post-Lottery Application is available at [myschooldc.org](https://myschooldc.org).

**Neighborhood School:** See *In-Boundary School* above.

**Other Primary Caregiver:** A person other than a parent, legal custodian, or court-appointed guardian who is the primary provider of care or control and support to a student who resides with him or her, where the student's parent, custodian, or guardian is unable to supply such care and support. Other primary caregivers must submit evidence that they are the primary caregiver of the student and establish DC residency as required on the DC Residency Verification (DCRV) form, in addition to establishing their status as an other primary caregiver. *Please note: An individual who seeks to enroll a student as an other primary caregiver is not the legal guardian or custodian of a student and the educational rights of parents, guardians, and custodians are not limited because their student is enrolled by an individual who meets definition of other primary caregiver.*

- Please visit the OSSE Office of Enrollment & Residency at [osse.dc.gov/publication/other-primary-caregiver-forms](https://osse.dc.gov/publication/other-primary-caregiver-forms) to review the Other Primary Caregiver (OPC) Form.

**Out-of-Boundary School:** A school other than a student's in-boundary school.

**Parent:** The natural parent, stepparent, or parent by adoption who has custody or control of a student including joint custody. (5-A DCMR § 5099)

**Participating Lottery School:** Any school (DCPS or charter) that has agreed to be part of the My School DC lottery. Most DCPS and DC public charter schools are participating lottery schools.

**PK3 (also Preschool):** An early childhood program that serves students who are at least three years old by September 30 of the school year they enroll.

---

---

**PK4 (also Prekindergarten):** An early childhood program that serves students who are at least four years old by September 30 of the school year they enroll.

**Programmatic Feeder Pattern:** See *Feeder Pattern* above.

**Proximity Preference:** A lottery preference provided to students who live greater than a half-mile walking distance from their zoned DCPS elementary school and apply to attend an out-of-boundary school that is a half-mile or less walking distance from their home. This preference only applies to students enrolling in grades PK3-5. Proximity preference is not offered at citywide or selective schools.

**Residency Verification:** A part of the annual enrollment process that requires parents, guardians, custodians, adult students, or other primary caregivers to provide proof that they reside in the District of Columbia each school year.

- Learn how to prove residency on page 29.

**Right-to-Attend School:** A DCPS school where students can enroll in grades K-12 and do not have to go through the lottery. There are two types of right-to-attend schools for DCPS K-12 students: in-boundary schools and feeder pattern schools. Students also have the right to re-enroll in their current school for the upcoming school year.

**Selective High School and Program:** A DCPS high school or program that admits students based on specific eligibility criteria and requires application for entry into the school. All students eligible to enroll in grades 9-12 can apply, but only those who meet a selective high school's or program's requirements will be eligible to attend. DCPS selective high schools and programs have no boundaries and admit students based on specific criteria. Students applying to one or more DCPS selective high schools and programs must complete an additional section of the My School DC application. The additional section is different for each school or program because each school or program has its own requirements.

- Review DCPS selective high schools/programs and admissions requirements on page 35.

**Sibling:** A child who has at least one parent or legal guardian in common with a current DCPS student and resides in the same household as the student. (5-E DCMR § 2199.2)

**Sibling Attending Preference:** A My School DC lottery preference provided to a student who has a sibling, as defined above, currently enrolled and attending at the school.

- See page 18 for more information on sibling preference.

**Sibling Offered Preference:** A My School DC lottery preference provided to a student whose sibling has been offered a space at a school through the lottery.

**Specialized School or Program:** A school or program that provides a substantially different education experience than other schools or programs in DCPS or the school that houses the program. Some specialized schools/programs may have eligibility criteria. Specialized schools or programs at DCPS can include Arts, Dual Language, Early College, Global Studies, International Baccalaureate, Montessori, STEM, and more.

**STEM (Science, Technology, Engineering, and Math):** STEM integrates science, technology, engineering, and math so that each of these content areas is taught within other content areas and equally alongside

literacy and composition. The goals of DCPS STEM integration are to improve student readiness for STEM majors and careers as well prepare all students to be STEM literate citizens.

**Terminal Grade:** The final grade that a school offers, e.g., grade 5 for elementary schools, grade 8 for PK-8 education campuses and middle schools, and grade 12 for 6-12 education campuses and high schools.

**Waitlist:** Waitlists contain students interested in enrolling at a school, but who were not matched through the lottery process. My School DC oversees the waitlists of all schools participating in the lottery. However, schools determine whether space is available at their school, when to call students off the waitlist, and the deadline to accept or decline a waitlist offer. Schools offer available spaces to students in numerical order as determined by the lottery. For example, students with numbers 1 through 7 on a waitlist must be made offers before number 8.

**Zoned School:** See *In-Boundary School* above.

## DCPS Enrollment Admissions Methods

The three admission methods and applicable scenarios below are the only acceptable methods for enrollment in DCPS.

Admission Method	Applicable Scenarios
<b>1. By Right</b>	<b>1.</b> Student's home address is within the boundary for the school of enrollment and the student will enroll in grades K-12. <b>All PK3 or PK4 students must submit a My School DC lottery application.</b>
	<b>2.</b> Student completed the terminal grade in a school and will enroll in the designated geographic or programmatic feeder school entry grade. <b>Geographic feeder pattern rights do not extend to students who enroll as in-boundary students and then move out of the boundary or to students who have withdrawn from an out-of-boundary feeder pattern at any point.</b>
	<b>3.</b> Student is re-enrolling for the next grade in their current school.
<b>2. By My School DC Lottery</b>	<b>1.</b> All new Preschool (PK3) and Prekindergarten (PK4) students.
	<b>2.</b> All new students enrolling in K-12 DCPS schools outside a student's boundary or feeder pattern.
	<b>3.</b> All new students entering a dual language strand of their in-boundary school (does not include whole school programs). (PK3-5)
	<b>4.</b> All new students entering DCPS citywide schools (PK3-12).
	<b>5.</b> All new students entering DCPS selective high schools and programs (9-12).

<p><b>3. By Formal Placement</b> (Placement for students in the following circumstances are the only allowable exceptions to the standard in-boundary and lottery enrollment processes.)</p>	<p><b>1. Division of Specialized Instruction:</b> Student is placed in a self-contained program, e.g., BES, CES, ILS, SLS.<sup>1</sup></p>
	<p><b>2. Early Stages:</b> Students with disabilities placed into a reserved Early Stages priority seat for PK3 or PK4.</p>
	<p><b>3. Language Acquisition Division:</b> English Learners placed into appropriate programs based on grade placement recommendations for students coming from outside the US and evaluation of foreign transcripts for secondary students.</p>
	<p><b>4. Student Placement Office:</b></p> <ul style="list-style-type: none"> <li>a. Youth Committed to the Department of Youth Rehabilitation Services (DYRS)/Supervised by Family Court Social Services Division (FCSSD)</li> <li>b. Children in the Custody of the Child &amp; Family Services Administration (CFSA)</li> <li>c. Discretionary Out-of-Boundary Transfer</li> <li>d. Families Displaced by Natural Disasters</li> <li>e. Students of Military Families</li> <li>f. Victim, Involuntary, and Immediate Transfers (Safety)</li> <li>g. Victims of Domestic Violence (DC SAFE Lethality Assessment Project)</li> <li>h. Disengaged Youth and Opportunity Academy Referral Process</li> <li>i. Non-Dual Language Alternative School Placement (Sister School)</li> <li>j. Homeless Children &amp; Youth Program Supports</li> </ul>

## Admissions by Right

### Right to Attend K-12 Schools

DCPS is the local public school system of Washington, DC. DC law requires students to attend school between their 5<sup>th</sup> and 18<sup>th</sup> birthdays<sup>2</sup>

which generally corresponds to kindergarten through grade 12. Students who are 5 years old by September 30 are considered compulsory age and are required to attend school. All DCPS schools are free to DC residents. Every compulsory age student who lives in Washington, DC, has at least one right-to-attend DCPS school per grade band — a school where they can enroll at any time. A right-to-attend school can be identified as a student’s in-boundary school or feeder pattern school. Students may attend their right-to-attend school(s) for grades K-12 without applying through the My School DC lottery.

Current attendance boundaries and feeder patterns may be accessed via the DCPS website.<sup>3</sup> Feeder patterns are subject to change each year.

**Identify A Student’s In-Boundary School**  
 Visit: <http://enrolldcps.dc.gov/node/41>  
 Contact the Enrollment Team  
[enroll@k12.dc.gov](mailto:enroll@k12.dc.gov) or (202) 478-5738

### Moving Out of Boundary After Enrolling

<sup>1</sup> This non-comprehensive list of self-contained program acronyms stand for the following: Behavior and Education Support (BES); Communication and Education Support (CES); Independence and Learning Support (ILS); and Specific Learning Support (SLS).

<sup>2</sup> D.C. Official Code § 38-202(a).

<sup>3</sup> <https://dcps.dc.gov/boundaries>

---

Where a PK-12 student has been attending an in-boundary school and then moves out of boundary while remaining in the District of Columbia, the student has the right to attend their new in-boundary school. The student may also continue to attend the current school through the end of the school's terminal grade. All families are required to notify the school of any change of residence within three (3) school days of such change.

After the terminal grade, the student has the right to attend the in-boundary school assigned for their next grade based on their home address and can apply to schools outside of the boundary via the My School DC lottery. They will lose their right to attend their old in-boundary feeder school and will need to use the My School DC lottery to apply as an out-of-boundary student to attend that school. For information on options where a student moves out of the District of Columbia, see page 34.

## **SY22-23 Feeder Patterns**

Please review the [SY22-23 DCPS School Feeder Patterns](#). The feeder patterns reflected are active for students transitioning grades between SY21-22 and SY22-23. Feeder pattern rights allow students who complete the terminal grade in a school the right to enroll in the designated geographic or programmatic feeder school entry grade. Geographic feeder pattern rights do not extend to students who enroll as in-boundary students and then move out of the boundary or to students who have withdrawn from an out-of-boundary feeder pattern at any point.

Note: Feeder rights are subject to change based on student assignment phase-in policies and grandfathering clauses. Please see page 14 for more information on Student Assignment and School Boundary Changes.

- For reference, review the [SY21-22 DCPS School Feeder Patterns](#).

---

## SY22-23 Middle School Boundary Map

To identify a student's in-boundary middle school, visit [enrolldcps.dc.gov/node/41](https://enrolldcps.dc.gov/node/41).

**SY22-23 High School Boundary Map**

To identify a student’s in-boundary high school, visit [enrolldcps.dc.gov/node/41](http://enrolldcps.dc.gov/node/41).

---

---

## Student Assignment and School Boundary Changes

DCPS occasionally updates its school boundaries, feeder patterns, and other student assignment policies, as needed. There are no boundary changes planned for SY22-23, though sibling and other phase-in policies from previous boundary changes remain active. For more information on student assignment and phase-in policies, boundaries, and feeder patterns, please visit [dcps.dc.gov/boundaries](https://dcps.dc.gov/boundaries).

## Admissions by My School DC Lottery

### About the My School DC Lottery

The Office of the State Superintendent of Education (OSSE) oversees the My School DC lottery in collaboration with the Office of the Deputy Mayor for Education (DME), DCPS, the DC Public Charter School Board (DCPCSB) and participating public charter schools. My School DC is governed by a board called the Common Lottery Board with representation from both DCPS and participating public charter schools. Families can apply and rank up to 12 schools on one common application per student.

#### Learn More about My School DC

Visit: [www.myschooldc.org](https://www.myschooldc.org)

Contact the Enrollment Team

[enroll@k12.dc.gov](mailto:enroll@k12.dc.gov) or (202) 478-5738

A My School DC lottery application is IS required to:

- Apply to attend as a new PK3 or PK4 student at any DCPS school, including your DCPS in-boundary school.
- Apply to attend grades K-12 as a new student at an out-of-boundary DCPS school.
- Apply to attend as a new student at a DCPS citywide school (PK3-12).
- Apply to attend as a new student at a DCPS selective high school or program (9-12).
- \*NEW for SY22-23\*: Apply to attend the dual-language strand at one of the following elementary schools (PK3-5): Cleveland ES, Marie Reed ES, and Tyler ES. *This applies to all students, including in-boundary students.*<sup>4</sup>

A My School DC lottery application is NOT required to:

- Enroll in grades K-12 at an in-boundary or geographic or programmatic feeder DCPS school.
- Re-enroll at their current school, or strand within their current school.
- Enroll via a formal placement.

The My School DC lottery process is available to all DC residents. No student shall be denied admission into DCPS because of disabilities or suspected disabilities. No student shall be denied admission into DCPS based on their English language proficiency. A student's Individualized Education Program (IEP) status is not collected during the lottery application process. Lottery applicants are not required to provide information about a child's disability, including whether the child has an IEP, to schools to which they are applying in the My School DC lottery.

Students with limited English proficiency can apply to any DCPS school. DCPS does not discriminate based on the language needs or preferred home language of students. The My School DC application

---

<sup>4</sup> Beginning SY22-23 all families, even in-boundary families, will need to apply to attend the dual language track at the three DCPS elementary schools that offer both a traditional and a dual language strand: Cleveland ES, Marie Reed ES, and ES. In-boundary students will receive a preference but will not be guaranteed a seat. Students currently enrolled in the dual language strand will not need to apply to re-enroll. In-boundary students will not need to apply to attend the traditional strand. For more information see page 38.

asks for the guardian’s preferred language so My School DC can better communicate with the guardian. It is not used for a student’s placement and does not impact lottery results in any way.

Lottery applications may be submitted online via [www.myschooldc.org](http://www.myschooldc.org). Lottery applications can also be completed via phone by calling the My School DC hotline at (202) 888-6336, during EdFEST, or at any DCPS school.

School Year 22-23 My School DC Lottery Application Timeline	
Saturday, December 11, 2021	EdFEST
Monday, December 13, 2021	My School DC Application Opens
Tuesday, February 1, 2022, 11:59 p.m. EST	Application Deadline (grades 9-12)
Tuesday, March 1, 2022, 11:59 p.m. EST	Application Deadline (grades PK3-8)
Friday, April 1, 2022	Lottery Results are Released, Enrollment Season Opens for School Year 22-23
Monday, May 2, 2022	Lottery-Match Enrollment Deadline

### Preschool (PK3) and Prekindergarten (PK4)

To enroll new 3- and 4-year-olds in school, all families must apply through the My School DC lottery. Families may enroll children in preschool (PK3) if the child is at least 3 years old and in prekindergarten (PK4) if the child is at least 4 years old, respectively, by September 30.<sup>5</sup>

DCPS places a strong value on early childhood education and strives to make seats in these grades available to as many children as possible in a fair and equitable way. However, because students are not required by law to attend school until age 5,<sup>6</sup> students are not generally guaranteed seats in PK3 or PK4.

#### Early Action PK

Early Action is the only guaranteed PK in the city. Early Action PK guarantees access to PK3 and PK4 programs for all in-boundary families at designated Early Action PK schools. To secure an Early Action PK seat, in-boundary families must submit a My School DC lottery application by the Tuesday, March 1, 2022 11:59 p.m. EST deadline. The Early Action PK school must be included as a choice on the application and the school should be ranked in your true order of preference on the application. Families will receive an Early Action PK match at their in-boundary Early Action PK school if they are not matched to any other school ranked higher on their My School DC lottery application.

If the child is matched with the in-boundary school, the family must enroll the student by the lottery enrollment deadline (Monday, May 2, 2022), as with all lottery matches. If a student is matched with a PK3 or PK4 seat at a school ranked higher than the in-boundary school, the student will no longer qualify for Early Action PK at the in-boundary school but will still retain their in-boundary preference at the school if they choose to apply again.

<sup>5</sup> 5-E DCMR § 2004.

<sup>6</sup> D.C. Official Code § 38-202(a).

SY22-23 Early Action PK for in-boundary families in PK3 and PK4 will be available at the following schools:

1. Aiton Elementary School (Ward 7)
2. Browne Education Campus (Ward 5)
3. Bunker Hill Elementary School (Ward 5)
4. Burroughs Elementary School (Ward 5)
5. Drew Elementary School (Ward 7)
6. King Elementary School (Ward 8)
7. Langley Elementary School (Ward 5)
8. Miner Elementary School (Ward 6)
9. Moten Elementary School (Ward 8)
10. Noyes Elementary School (Ward 5)
11. Stanton Elementary School (Ward 8)
12. Takoma Elementary School (Ward 4)
13. Thomson Elementary School (Ward 2)
14. Truesdell Elementary School (Ward 4)
15. Turner Elementary School (Ward 8)
16. Wheatley Education Campus (Ward 5)

## Out-of-Boundary Neighborhood Schools

For students eligible to enroll in grades K-12 who wish to attend an out-of-boundary neighborhood school, families must apply through the My School DC lottery.

**Learn about DCPS School Options**

Visit: <http://profiles.dcps.dc.gov/>

Contact the Enrollment Team

[enroll@k12.dc.gov](mailto:enroll@k12.dc.gov) or (202) 478-5738

## Citywide Schools

A citywide school is a school that does not have a boundary and therefore cannot be claimed as an in-boundary school by any students. Students must submit a My School DC lottery application to attend a citywide school at any grade but are able to re-enroll the next school year without submitting an application. Students are not eligible to receive proximity preference at citywide schools.

- Review SY22-23 DCPS citywide schools on page 35.

## Selective High Schools/Programs

DCPS has eight (8) selective high schools and programs that admit students based on specific admissions processes and selection criteria. To be considered for admission to a selective high school or program, all students must submit a My School DC lottery application. Any students eligible to enroll in grades 9-12 can apply to these schools or programs, but only those who meet a selective high school's or program's specific additional requirements will be eligible to receive a lottery match or waitlist offer.

- For more information on admission criteria and eligibility please refer to page 35.

## Lottery Preferences

Students may be eligible for a lottery preference at one or more schools. Students with a preference at a school are offered space at that school before students who do not have a preference or, if waitlisted, receive a higher waitlist placement than students without a preference.

DCPS assigns lottery preferences to students to match them with schools in their neighborhoods and keep siblings together. The following preferences are extended to SY22-23 for DCPS lottery applicants who meet specific criteria:

1. In-boundary preference (PK3/PK4 and Dual Language strand applicants only)
2. Sibling preference
3. Proximity preference

*Note:* Preferences do not apply to the selective high school/program admissions process and only sibling preferences apply for citywide schools.

#### **Learn about the Lottery Algorithm**

[This video](#) explains how the algorithm works.

Contact My School DC

[info.myschooldc@dc.gov](mailto:info.myschooldc@dc.gov) or (202) 888-6336

Contact the DCPS Enrollment Team

[enroll@k12.dc.gov](mailto:enroll@k12.dc.gov) or (202) 478-5738

Additionally, some available lottery seats at schools with Equitable Access Designated Seats are reserved for qualifying applicants. More information on the Equitable Access Designated Seats is available on page 20.

## 1. In-Boundary Preference (PK3/PK4 applicants and dual language strand applicants only)

To provide families with a better chance of securing a PK3 and PK4 seat at their in-boundary school, families who apply for a PK3 or PK4 seat are provided with an in-boundary preference at their in-boundary school through the My School DC lottery.

#### **Identify A Student's In-Boundary School**

Visit: <http://enrolldcps.dc.gov/node/41>

Contact the DCPS Enrollment Team

[enroll@k12.dc.gov](mailto:enroll@k12.dc.gov) or (202) 478-5738

- *Note on Dual Language Strands:* For elementary schools that offer both a traditional and a dual language strand (Cleveland ES, Marie Reed ES, and Tyler ES), in-boundary students will receive a preference but will not be guaranteed a seat in the dual language strand. [In-boundary students continue to have a right to attend the traditional (non-dual language) strand in K-5 at those schools.] Students currently enrolled in the dual language strand will not need to apply to re-enroll for the following school year. See page 37 for more information.
- *Note on Early Action PK:* Families who are in-boundary for a school offering Early Action PK enrollment will be guaranteed a seat at their in-boundary school only if they follow the guidelines listed in the Early Action PK section on page 15.

**How to Claim:** No action is needed. This preference is automatically applied to a My School DC lottery application based on home address. A family's in-boundary home address is verified at the school level at the time of enrollment as part of the DC residency verification process. **Families unable to verify DC residency and residence within the school's boundary at the time of enrollment will forfeit the preference and will have their offer (and subsequent enrollment) removed.** They will be placed back on the school's waitlist according to their random lottery number and any other preference for which they previously qualified, but without the in-boundary preference.

## 2. Sibling Preferences

Enrolling siblings together at a school is beneficial to students, families, and schools. As such, DCPS provides a sibling preference through the My School DC lottery. Only students with a sibling who

---

---

currently attends the DCPS school that the preference is requested at for the new sibling and will attend the same school for the upcoming school year, or who has also received a match or waitlist offer to the same school for the upcoming school year, will receive sibling preference. A sibling is a child who has at least one parent or legal guardian in common with a current DCPS student and resides in the same household as the student. There are two types of sibling preference as described below.

### *Sibling-Attending Preference*

Sibling-attending preference is provided to students who, at the time of enrollment, have a sibling currently attending the DCPS school listed on the student's My School DC application and who will continue attending during the school year for which the applicant is applying. The purpose of this preference is to keep siblings together in the same building. Therefore, the attending sibling cannot be in a terminal grade at the time the student's application is submitted. Families who will enroll a student in the upcoming school year can claim a sibling-attending preference for a sibling applying to the school, provided the student who will be enrolling has the right to attend based on in-boundary or feeder rights or a formal placement into the school.

**Example 1:** If John is currently enrolled in 3rd grade at Patterson ES and plans to return to that school for 4th grade, then his sibling is eligible to receive a sibling-attending preference at Patterson ES through the lottery for the following school year.

**Example 2:** If John is a new student who will attend Patterson ES because he lives in-boundary for a compulsory grade at Patterson, then his PK3/PK4 sibling is eligible to receive a sibling-attending preference at Patterson ES through the lottery for the following school year.

**Example 3:** If John is currently enrolled in 5<sup>th</sup> grade at Patterson ES and will be attending another school for 6<sup>th</sup> grade the following school year, his sibling is NOT eligible to receive a sibling-attending preference at Patterson ES through the lottery for the following school year.

***Please note that if the attending student does not re-enroll for the following school year, the sibling who received a sibling attending preference will forfeit their match or waitlist offer, or have their enrollment revoked. In these cases, the applicant will be placed on the school's waitlist based on other eligible preferences, but without the sibling preference.***

**How to Claim:** On step 1 of the application, under Sibling Preference Information, select "Yes" to the question "Does the student have any siblings attending a DCPS and/or Charter School?" and enter in the attending sibling's information. If you have more than one child attending a DCPS school be sure to add in each additional child's information by clicking on the "Add Sibling" link at the bottom of the page. For current students, the sibling's DCPS student ID number must also be provided. If the student will attend and does not currently have a student ID number, input "0000000" (seven 0's) as the student ID number – **this option is only available to families planning on enrolling an in-boundary student.** Confirm with the school's registrar, or within the application itself using the preference status page, that this preference has been applied prior to the lottery. After the lottery, these preferences are applied only when the older sibling is enrolled.

#### **Obtain Student ID Numbers**

Contact: The school of the sibling.

---

---

### *Sibling-Offered Preference*

Sibling-offered preference is provided to students whose siblings are matched to a school through the My School DC lottery.

**Example:** If John and his sibling submit a My School DC lottery application for the same schools and John is matched to a school through the My School DC lottery, a sibling-offered preference is automatically applied to his sibling's My School DC lottery application.

**How to Claim:** No action is needed as long as the siblings' My School DC applications are submitted through the same My School DC family account. This preference is automatically applied through the My School DC lottery matching process. If the sibling who was offered a space at the school does not enroll, the "sibling offered" preference will be removed for all siblings that applied to that same school. This may result in the siblings losing their match or moving down on the waitlist at that school or the school revoking enrollment. The siblings will remain on the school's waitlist but will be assigned a new waitlist position based on their random lottery number and any other preference for which they qualified.

### *Special Application of Sibling Preference*

**Capitol Hill Cluster Schools** (Peabody ES, Watkins ES, and Stuart-Hobson MS)

For the purposes of the lottery, a student with a sibling who will or does attend any of the Capitol Hill Cluster schools may request and is eligible for a sibling preference at any of the schools in the Cluster, subject to the sibling enrolling in the school.

### *Dual Language Strands/Programs*

Dual language strands/programs place additional emphasis on sibling preference because of the value of in-home exposure to language acquisition. As such, a sibling preference is weighted more heavily than an in-boundary preference at these schools/programs.

- See page 35 for a list of dual language schools/programs.
- See page 24 for a chart of waitlist order preference for dual language schools/programs.

### *Schools with Multiple Strands*

For students who are enrolled in a DCPS school with both a dual language and non-dual language or Montessori and non-Montessori strand (Cleveland ES, Langdon ES, MacFarland MS, Marie Reed ES, Nalle ES, Powell ES, Roosevelt HS, or Tyler ES), the sibling is eligible to receive sibling-attending preference in the My School DC Lottery in either the traditional or dual language/Montessori program at that school.

### *Selective High Schools/Programs*

- Sibling preference is not offered at selective high schools and programs.
- Sibling preference is not offered between non-selective schools and associated selective high schools and programs, namely Columbia Heights Education Campus, Early College Academy at Coolidge High School, McKinley Technology High School, and School Without Walls High School. For example, when a student attends McKinley Technology High School, their sibling does not receive a lottery preference for McKinley Middle School (the associated school) and vice versa.
  - See page 35 for a list of selective high schools/programs.

---

---

### Verification of Sibling Attending Preference

Validity of sibling preference will be verified by the school in cooperation with DCPS Enrollment Team.

If a sibling preference is found to not be valid *before* the release of My School DC lottery results, the preference will be removed from the lottery application, and the family will be notified by email (if one was provided in their My School DC application) or phone call from the school (only if no email is provided in their My School DC application). If a student receives a sibling preference and it was not valid, the student must forfeit the sibling attending preference, will have their match, waitlist offer, or enrollment removed, and will be placed on the school's waitlist without the preference. Additionally, if the attending student does not re-enroll for the following school year the applying sibling who received a preference will also forfeit the sibling attending preference, and will have their match, waitlist offer, or enrollment removed. In these cases, the applicant will be placed back on the school's waitlist according to their random lottery number and any other preference for which they previously qualified, but without the sibling preference.

#### Verify Sibling Preference

Contact the Enrollment Team

[enroll@k12.dc.gov](mailto:enroll@k12.dc.gov) or (202) 478-5738

Contact My School DC

[info.myschooldc@dc.gov](mailto:info.myschooldc@dc.gov) or (202) 888-6336

### 3. Proximity Preference

To minimize the burden of travel to schools for families, DCPS provides a proximity preference through the My School DC lottery for families with children in PK3-5 who have been zoned for a DCPS school that is more than a half-mile walking distance from their home. These families receive a proximity preference in the lottery at all DCPS neighborhood schools offering these grades that are less than a half-mile walking distance from their home. The following citywide schools do not apply proximity preference: Capitol Hill Montessori @ Logan, Dorothy I. Height, Excel Academy, Military Road Early Learning Center, School-Within-School, and Stevens Early Learning Center.

#### Determine Proximity Preference Eligibility

Contact the Enrollment Team

[enroll@k12.dc.gov](mailto:enroll@k12.dc.gov) or (202) 478-5738

For schools that have multiple campuses (Oyster-Adams, Peabody ES and Watkins ES), proximity preference is calculated separately for each building depending on the grade and the student's address. For example, proximity preference for a student applying to a grade served by Peabody is determined based on the Peabody location and not the Watkins location.

**How to Claim:** No action is needed beyond ranking that school in your lottery application. This preference is automatically applied to a My School DC lottery application based on home address and grade level (PK3-5). Eligibility for proximity preference is calculated by the Office of the Chief Technology Officer (OCTO) using geographic information system (GIS) technology which calculates the walking distance from the address entered to the surrounding schools. Note that GIS technology sometimes differs from Google Maps.

### Equitable Access Designated Seats

A portion of seats are reserved for applicants that have been identified as "at-risk." At-risk identification for this preference means OSSE has a record that the applicant has met at least one of the [proxy measures for at-risk status](#). Those measures identify students who are homeless, in the District's foster care system, or who receive Temporary Assistance for Needy Families (TANF) or the Supplemental

---

Nutrition Assistance Program (SNAP). The Equitable Access Designated Seat preference applies only to PK3 and PK4 and below are the SY22-23 participating schools:

- Neighborhood Schools: Barnard ES, John Lewis ES, HD Cooke ES, Garrison ES, Van Ness ESS
  - Note: Equitable Access Designated Seats in neighborhood schools are only available to qualifying students who live in-boundary.
- Citywide Schools: Stevens ELC, Military Road ELC, Capitol Hill Montessori @ Logan, Dorothy I. Height ES

**How to Claim:** No action is needed beyond ranking that school in your lottery application and affirming consent for My School DC to confirm your eligibility for an Equitable Access Designated Seat when prompted in the application. If a family provides consent and is found eligible for an Equitable Access Designated Seat, My School DC will automatically add this selection to the applicant’s lottery application. Eligibility for an Equitable Access Designated Seat is determined by OSSE and other DC government data.

## Preference Change

Families who become newly eligible for a preference or who failed to include an eligible preference on their My School DC lottery application may still be able to claim their preference after the release of lottery results.

**How to Claim:** A family should provide documentation to the school to verify the preference change. Once verified, the school will work with the DCPS Enrollment Team and My School DC to add the preference to the lottery application. My School DC will place the applicant in the appropriate order on the waitlist, based on the random lottery number and the added preference.

## Lottery Results

The My School DC lottery is a single, random lottery that aims to match students with their preferred schools, while also taking lottery preferences into account. While families can apply and rank up to 12 schools, the lottery can match students with no more than one school.

On April 1, 2022, the My School DC lottery results will become available for SY22-23. Families can receive lottery results by logging in to their My School DC family account. Families will also receive their lottery results by email, and those who opt in will be mailed a results letter to the address listed on the application one week after results are released. Families will receive a separate email and letter for each child’s application. Families who do not receive their results email or have trouble logging into their My School DC account can also learn results by calling the My School DC Hotline at (202) 888-6336, Monday through Friday, from 8:00am-5:00pm beginning April 1, 2022.

My School DC lottery results have three possible outcomes:

1. Match with school ranked first, not waitlisted at any other ranked schools.
2. Match with school NOT ranked first, waitlisted at all schools ranked higher than match.
3. No match, waitlisted at all ranked schools.

*Note:* Selective high schools and programs have additional possible outcomes. See page 23.

---

---

## Students Matched with School Ranked First

Students matched with their first-ranked school will not be waitlisted at any other ranked school. To secure their lottery seat, families must enroll their student at the matched school by the enrollment deadline of Monday, May 2, 2022. If a student is matched and not enrolled in the matched school by the enrollment deadline, the school is not obligated to provide the seat to that student.

The only exception to this is for applicants who have a sibling who matched to a school ranked lower on their application. After being matched an applicant will be placed on the waitlist for any school their sibling is matched to even if the school was ranked below where they are matched. If a student opts to decline said match, they can remain waitlisted for the school their sibling matched with.

### *Post-Lottery Applications*

Should a student forego a lottery-matched seat at a first-ranked school, they may enroll at their DCPS in-boundary school in compulsory grades (K-12). Families may also submit a post-lottery application at MySchoolDC.org if they missed the lottery application deadlines or would like to apply to additional schools.

## Students Matched with School NOT Ranked First

Students matched with a school that was not ranked first in their lottery application will be waitlisted at all schools ranked higher than their match. Students will not be waitlisted at any school ranked lower than the matched school.

The only exception to this is for applicants who have a sibling who matched to a school ranked lower on their application. After being matched an applicant will be placed on the waitlist for any school their sibling is matched to even if the school was ranked below where they are matched.

*Note:* This does not apply to selective high schools/programs. See Lottery Results for Selective High Schools/Programs on page 23.

Families who are matched are encouraged to enroll at their matched school by the enrollment deadline, even if it is not their first choice, to avoid losing that seat. Enrolling at the matched school does not jeopardize waitlist spots at the other schools. After families enroll at a matched school, they may later enroll at a different school if called from a waitlist, removing them from their currently enrolled school.

## Students NOT Matched

Students not matched with any school have the right to stay at their current school or enroll in their right-to-attend school (K-12). Students not matched will also be waitlisted at all schools ranked on their lottery application. They also have the option to apply to additional schools via a My School DC Post-Lottery application at [www.myschooldc.org/postlotto](http://www.myschooldc.org/postlotto).

However, if a student has applied to one or more selective high schools or programs and the selective school or program(s) finds the student ineligible, they will not be waitlisted. In addition, they will have the option to apply to additional schools after the lottery results are released via a My School DC Post-Lottery application at [www.myschooldc.org/postlotto](http://www.myschooldc.org/postlotto).

- Review the full list of possible lottery results and status definitions at [myschooldc.org/faq/lottery-results-and-status-definitions](http://myschooldc.org/faq/lottery-results-and-status-definitions).

---

---

## Lottery Results for Selective High Schools/Programs

To be considered for admission to a selective high school or program, a My School DC lottery application must be submitted; however, admission is based on specific admissions processes and selection criteria. If a student does not meet a selective high school's or program's eligibility requirements, the student will be marked ineligible. Ineligible students cannot be matched or waitlisted for that school.

- For more information, see page 35.

## Waitlists

Waitlists reflect the order in which students would be enrolled at a school if seats become available. The order of waitlists at DCPS schools is based on lottery preferences and application period (lottery or post lottery). Lottery applicants are placed on waitlists using their random lottery number and post-lottery applicants are placed on waitlists in order of submission date.

Waitlisted students at DCPS schools are grouped by preference:

- Students within the same preference group are ordered according to the time in which they applied (i.e., lottery or post lottery).
- Students within the same preference group who applied in the lottery are ordered according to their random lottery number.
  - See page 24 for hierarchy of preferences.
- Students who apply post-lottery (after Tuesday, February 1, 2022, for grades 9-12 and after Tuesday, March 1, 2022, for grades PK3-8) are added to the end of the appropriate preference group in order of application submission time and date.

*Note:* There are circumstances in which students may be moved **down** on a waitlist due to application circumstances that qualify other applicants for a higher preference category. Learn more at [myschooldc.org/faq/faqs#lottery](https://myschooldc.org/faq/faqs#lottery).

**How to Claim:** If seats become available, school staff will contact families on the waitlist and in waitlist order via email and phone. My School DC will also send an automatic email notification to any email address provided on the application. Families will be notified of the deadline by which they must enroll to secure their lottery seat. If a family is unresponsive or does not complete the enrollment process by the specified deadline, the lottery seat offer may be withdrawn, and the school may move on to the next student on the waitlist to fill the seat. Families who hope to be called off a waitlist and be extended an offer should verify their contact information is correct on their My School DC application, as that is the contact information the school will use. If contact information changes at any time, families should immediately update their My School DC account or contact My School DC.

To accept a lottery seat, a family must submit enrollment paperwork to the school, including DC residency verification. See page 29 for information about lottery enrollment.

The typical deadline to accept a waitlist offer is five (5) business days after the offer is sent. Schools have the flexibility to increase or decrease that timeline which can grow shorter closer to the start of school and once school is in session. Families should work directly with the school if they need additional time. In the rare case in which a family is given 24-hours' notice to accept a waitlist offer, families will receive an email and phone call from the school.

## Waitlist Order by Preference for Schools/Programs

Below is the waitlist order by preference for traditional and dual language schools/programs. For dual language schools/programs, preferences in PK3 and PK4 are ordered differently than for traditional schools/programs in one respect. For dual language schools/programs, out-of-boundary sibling applicants are prioritized before in-boundary applicants with no sibling.

Traditional Lottery and Post-Lottery	Dual Language Lottery and Post-Lottery
1. In-boundary applicant with a sibling attending (PK only)	1. In-boundary applicant with a sibling attending (PK only)
2. In-boundary applicant with a sibling offered (PK only)	2. In-boundary applicant with a sibling-offered (PK only)
3. In-boundary applicant (with no sibling) (PK only)	3. Out-of-boundary applicant with a sibling attending
4. Out-of-boundary applicant with a sibling attending	4. Out-of-boundary applicant with a sibling offered
5. Out-of-boundary applicant with a sibling offered	5. In-boundary applicant (with no sibling)
6. Proximity Preference	6. Proximity Preference
7. Out-of-boundary applicant (with no other preference)	7. Out-of-boundary applicant (with no other preference)

Equitable Access Designated Seats – Neighborhood Schools (PK3 and PK4 only)	Equitable Access Designated Seats – Citywide Schools (PK3 and PK4 only)
1. In-boundary at-risk with a sibling attending	1. At-risk with a sibling attending
2. In-boundary at-risk with a sibling offered	2. At-risk with a sibling offered
3. In-boundary at-risk	3. At-risk

## Admissions by Formal Placement

### About Formal Placements

There are four teams in the DCPS Central Office that grant an eligible student admission to certain schools by formal placement: Division of Specialized Instruction (DSI), Early Stages, Language Acquisition Division (LAD), and the Student Placement Office (SPO). Students who receive formal placement from one of these schools are not required to submit My School DC Lottery applications.

### Division of Specialized Instruction Placements

DCPS aspires to be a model district for special education. A child with a disability is eligible for special education and related services through the end of the semester the child turns twenty-two (22). DCPS' goal is to provide high quality inclusion and special education services, and to dramatically improve academic outcomes for students with disabilities.

---

---

Information about a child’s disability, including whether the child has an IEP, is not a factor in determining if a student can enroll in a DCPS school. Please see admissions method information on page 8.

For a child with an IEP requiring *20 or more hours* of specialized instruction outside of the general education setting, many DCPS schools offer specialized self-contained programs that will be able to meet the child’s IEP goals and provide all needed services and accommodations. Where the child requires such a self-contained program, the Division of Specialized Instruction will ensure that the child is offered the opportunity to attend a school with an available self-contained program seat.

**Special Education Questions**

Contact the Division of Specialized Instruction  
[dcps.specialed@k12.dc.gov](mailto:dcps.specialed@k12.dc.gov)

### Newly Identified Special Education-Eligible PK3 and PK4 Students (Early Stages Placements)

**Early Stages Questions**

(202) 698-8037 or [referrals@earlystagesdc.org](mailto:referrals@earlystagesdc.org)

Early Stages is a DCPS evaluation center for children between the ages of 2 years 8 months and 5 years 10 months. Early Stages oversees the developmental screening and evaluation processes for unenrolled children to identify those who may be eligible for special education and related services.

PK3/PK4 children who have been newly found eligible for special education or who have an existing IEP and wish to receive services will be offered a seat in a school by Early Stages if (1) they are not already enrolled or (2) their current DCPS school cannot implement the IEP. This process occurs outside of the My School DC lottery. Whenever appropriate and possible, the seat offered will be in the child’s in-boundary school. If a seat is not available in the in-boundary school, the seat offered will be in the next closest school to the family’s home where a seat is available and at which the IEP can be implemented. A family accepts an Early Stages placement by enrolling at the school offered. If the child was on the My School DC lottery waitlist of that school, they will be removed from it. Acceptance of an Early Stages seat does not affect a child’s position on the waitlist at other schools. In some cases, children offered a PK3 priority seat may not have turned 3 by the September 30<sup>th</sup> cutoff; however, they are entitled to enroll so that they can receive IEP services. Such children are re-enrolled in PK3 for the following year.

### Students Who May be Eligible for English as a Second Language Services (Language Acquisition Division)

Upon registering in DCPS and completing the Home Language Survey questions, students who have indicated they speak a language other than English or have been primarily exposed to a language other than English at home are referred to the Language Acquisition Division’s (LAD) Welcome Center for English Proficiency screening. Secondary students who previously attended school outside of the United States and completed high school courses they would like to be evaluated towards meeting DCPS graduation requirements should also be referred to the LAD Welcome Center. LAD’s Welcome Center screens potential EL students to determine English as a Second Language (ESL) eligibility, recommendations for ESL instructional programming and grade placement, orientation to linguistically and culturally diverse families, referrals to community-based resources, evaluation of middle school and high school foreign transcripts for the purpose of awarding high school credits and may provide formal EL Student Placements. For more information, visit [our webpage](#) and/or contact Raquel Ortiz at [raquel.ortiz@k12.dc.gov](mailto:raquel.ortiz@k12.dc.gov).

---

---

## Student Placement Office Transitions

The DCPS Student Placement Office works with students and families on finding school placements for students in special circumstances occurring outside the standard in-boundary and lottery enrollment processes.

A formal placement notification will accompany all students assisted by the Student Placement Office. The Student Placement Office provides enrollment support and placement for students who may be impacted by any of the following circumstances, and additional information is provided about placements. Contact the Student Placement Office for questions about any of the placements below.

### Student Placement Office

3535 V Street, NE  
Washington, DC 20018  
(202) 939-2004 or [Student.Placement@k12.dc.gov](mailto:Student.Placement@k12.dc.gov)

1. Youth Committed to the Department of Youth Rehabilitation Services (DYRS)/Under the Supervision of the Family Court Social Services Division (FCSSD)
2. Children under the Supervision of the Child & Family Services Administration (CFSA)
3. Discretionary Out-of-Boundary Transfer Requests
4. Families Displaced by Natural Disasters
5. Students of Military Families
6. Victim, Involuntary, and Immediate Transfers (Student Safety and Offenses)
7. Victims of Domestic Violence (DC SAFE Lethality Assessment Project)
8. District of Columbia's Mayor's Office for Victim Services
9. Disengaged Youth and Opportunity Academy Referral Process
10. Non-Dual Language Alternative School Placement (Sister School)
11. Homeless Children & Youth Program Supports

### *Discretionary Out-of-Boundary Transfers*

The DCPS Chancellor may exercise their authority to grant discretionary out-of-boundary transfers to students in extremely limited situations. For more information on the process and criteria considered, and how to apply for a Discretionary Out-of-Boundary Transfer, review the full policy at [dcps.dc.gov/node/1253426](https://dcps.dc.gov/node/1253426).

### *Children in Foster Care (DC Child & Family Services Administration)*

Children and youth in the care and custody of the DC Child & Family Services Administration (CFSA) are residents of the District and entitled to enroll in and attend DC public schools, including when they are temporarily placed in foster-care settings outside of DC Maryland or Virginia. For information about youth in foster care and the My School DC lottery, please visit [www.myschooldc.org/faq/faqs](http://www.myschooldc.org/faq/faqs).

- A child in foster care also has a right to remain in their school of origin unless it is determined that remaining in the school of origin is not in their best interest. These students should be directed to the Student Placement Office for assistance with best interest determinations and enrollments.<sup>7</sup> Foster families or social workers may contact the Student Supports Team at (202) 939-2004 or [student.placement@k12.dc.gov](mailto:student.placement@k12.dc.gov) for more assistance.

---

<sup>7</sup> For more information about education stability for children in foster care, please see OSSE and CFSA's joint guidance available at <https://osse.dc.gov/publication/osse-and-cfsa-issue-joint-essa-foster-care-guidance-leas>.

---

---

## *Military Families*

School-age children of military families face obstacles to educational success, such as frequent moves and the deployment of one or more of their parents. Children of active-duty military families who are eligible to enroll in grades K-12 and reside on military facilities within the District of Columbia, namely Joint Base Anacostia-Bolling, Fort McNair, and the Marine Barracks Washington DC, may enroll in the DCPS school of their choice, at any point during the school year, pending classroom/program availability and any applicable admission criteria.

- Read the Chancellor’s Directive on Enrollment and Placement of Military Families at [dcps.dc.gov/page/enrollment-students-military-families](https://dcps.dc.gov/page/enrollment-students-military-families).

In addition to students residing in the above-referenced military facilities, DCPS assists all students of military families with enrollment and school location determinations. For military families in need of assistance with enrolling in DCPS, please contact the Student Supports Team at (202) 939-2004 or [student.placement@k12.dc.gov](mailto:student.placement@k12.dc.gov).

## *Homelessness*

The McKinney-Vento Homeless Education Assistance Act (“McKinney-Vento”), amended by the Every Student Succeeds Act of 2015 (“ESSA”), guarantees educational rights and supports for students experiencing homelessness.<sup>8</sup> McKinney-Vento defines “homeless children and youth” as individuals who lack a fixed, regular, and adequate nighttime residence, including children and youths who are:

- **Doubled Up** – sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason;
- **Living in Hotels/Motels** – living in motels, hotels, trailer parks, or camping grounds due to the lack of alternative adequate accommodations;
- **Sheltered** – living in emergency or transitional shelters; or are abandoned in hospitals;
- **Unsheltered** – having a primary nighttime residence that is a public or private place not designed for or ordinarily used as a regular sleeping accommodation for human beings; or living in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations, or similar settings;
- **Unaccompanied Youth** – youth who are not in the physical custody of a parent/guardian and qualify as homeless because they live in any of the above-described circumstances; and
- **Migratory** – migratory children who qualify as homeless because they live in any of the above-described circumstances.

Under McKinney-Vento, students experiencing homelessness have the following enrollment rights:

1. **The right to remain in their school of origin.**  
The school of origin is defined as “the school that a child or youth attended when permanently housed or the school in which the student was last enrolled, including a preschool.” The student has the right to attend the school of origin for the duration of homelessness.
2. **The right to immediately enroll in an in-boundary school.** A parent/guardian/unaccompanied youth can request to enroll in the public school closest to the in-boundary school of their temporary residence/placement. The right to immediate enrollment extends to in-boundary neighborhood schools only; it does not extend to citywide and selective schools.

---

<sup>8</sup> 42 U.S.C. 11431 et seq.

---

In some cases, a student experiencing homelessness may be placed in a school other than the school of origin or in-boundary school. This type of placement is considered a *best interest* placement and the school placement will be determined by the DCPS Homeless Children and Youth Program Manager and the appropriate Instructional Superintendent. Best interest placements are determined by safety of the child or youth, special education needs, attendance concerns, and the school placement of siblings. Every school has a designated School-Based Homeless Liaison (SBHL) who supports students experiencing homelessness. The liaison can assist with:

- Immediate enrollment;
- Resolving enrollment disputes;
- Parent involvement opportunities and connection to community resources;
- Connecting homeless students and parents with educational services and other resources (e.g., transportation and uniform assistance); and
- Ensuring children, unaccompanied youth, and families have access to and receive educational services for which they are eligible, including Head Start, early intervention (IDEA Part C) and other preschool programs.

Schools of origin and/or local schools (in-boundary schools) must immediately enroll children and youth experiencing homelessness, and ensure they receive educational and related services for which they are eligible even if they are unable to produce documents normally required for enrollment (birth certificates, immunization records, etc.). Documents that may be provided but are not required include:

- A placement letter from [Virginia Williams Family Resource Center](#) or the shelter where families are temporarily residing; or
- A signed letter from the person the family is temporarily residing with stating the parent/guardian and their children are temporarily residing with them at their address. This is also an option for unaccompanied youth.

Students experiencing homelessness cannot be denied enrollment and attendance at their school of origin or in-boundary school if they are unable to prove DC residency. The school may work with the student and family to obtain any missing documentation. During this period, the student can attend school. If documentation is collected, it may be determined that the in-boundary school is not the school currently attended, and the student will be directed to complete enrollment at either the in-boundary school or their school of origin, or apply to other schools via the My School DC lottery.

If a family is denied enrollment at the school the family believes is the student's school of origin or in-boundary school, the school must provide the family with OSSE's McKinney-Vento Act Dispute Resolution Policy and Guidelines. The School-Based Homeless Liaison must also provide the student with a written explanation of the school's decision regarding school selection or enrollment, including the rights of the parent, guardian, or youth to appeal the decision. The Dispute Resolution Guidelines can be found here: [OSSE Dispute Resolution Guidelines](#) or on the DCPS Homeless Children Youth Services webpage at [dcps.dc.gov/service/homeless-children-and-youth-services-dcps](https://dcps.dc.gov/service/homeless-children-and-youth-services-dcps). For more information, please contact the DCPS Homeless Children and Youth Program at [dcps.hcyp@k12.dc.gov](mailto:dcps.hcyp@k12.dc.gov) or call (202) 576-9502.

Please contact Milo A. Howard, Director, DCPS Student Placement Office at (202) 270.6182 or (Email: [milo.howard@k12.dc.gov](mailto:milo.howard@k12.dc.gov)) with questions related to any of the placements described above.

---

---

## Enrollment

To complete enrollment in a DCPS school, families must submit a completed enrollment packet either in-person or via an approved electronic format to the school and proof of all eligibility prerequisites, which includes sufficient proof of DC residency based on OSSE requirements.<sup>9</sup> DCPS requires all families to prove residency **within 10 calendar days from the date of enrollment**. Families who do not provide proof of District residency within this timeframe may be excluded from attending DCPS until sufficient residency proof is submitted. With the exception of the private enrollment in a designated CBO, a student may not be simultaneously enrolled at two schools. Once a student is enrolled at a new school, they may lose access to their former school's feeder pattern. This is only in the event the student entered the former school via the My School DC Lottery. Students may enroll at their in-boundary school at any time.

- Complete and submit the DCPS enrollment packet at [EnrollDCPS.dc.gov](https://enrolldcps.dc.gov).

## Lottery Enrollment

If a student is not enrolling in their in-boundary and/or feeder (K-12) school, re-enrolling in their current school, enrolling in an Opportunity Academy (see page 32 for more information on Opportunity Academies), or enrolling via formal placement (see page 24 for more information on formal student placements), they must be matched through the My School DC lottery. To enroll in a lottery-matched school, a family must submit required enrollment forms to the school and verify DC residency by the lottery enrollment deadline (Monday, May 2, 2022). After the lottery enrollment deadline, schools are not obligated to enroll lottery-matched students and may begin to offer remaining seats to students on their waitlist.

In addition to enrollment documents, the parent/guardian of a student who obtains a seat through the lottery must sign the My School DC Seat Acceptance acknowledgment to the new school, found in the enrollment packet. By acknowledging the statement and enrolling into a lottery-matched school, a family acknowledges they are giving up the student's rights to their current school for the upcoming school year and the current school's feeder pattern, if the student's current school is not an in-boundary school. As a reminder, students may not be enrolled in a DCPS school if simultaneously enrolled at another LEA school, nor can students be simultaneously enrolled at more than one DCPS school. Additionally, once a student withdraws from their out-of-boundary school to attend another lottery-matched school via DCPS or charter, or to attend a private, homeschool, or any other school, the student will be required to reapply via the My School DC lottery if they wish to return to their former out-of-boundary school. However, a student always maintains the right to attend their in-boundary school in grades K-12.

## DC Residency Verification Guidelines

Every family in DCPS must prove DC residency annually as part of the enrollment process.<sup>10</sup> Families who obtain a seat through the lottery must fully complete the enrollment process, including the DC residency verification process, in order to claim their seat.

- Review DC Residency Verification Guidelines for SY22-23 at [osse.dc.gov/publication/office-and-enrollment-and-residency-handbook](https://osse.dc.gov/publication/office-and-enrollment-and-residency-handbook).

---

<sup>9</sup> 5-E DCMR § 2000.1

<sup>10</sup> D.C. Official Code § 38-306.

---

---

Families called from the waitlist will be expected to prove DC residency by a specified enrollment deadline. New or relocating families who will not be able to prove DC residency by the enrollment deadline should contact their matched school or contact the Enrollment Team at **(202) 478-5738** or [enroll@k12.dc.gov](mailto:enroll@k12.dc.gov).

Homeless or displaced families in the District of Columbia may be exempt from certain requirements as provided in the McKinney-Vento Act of 2001.<sup>11</sup> Students that are Wards of the District and living in foster care or other District-assigned placement should provide the school with their Ward of the District letter as proof of DC residency.

- For more information on enrollment for students experiencing homelessness, see page 27.

Proving residency in the District of Columbia is a threshold requirement for tuition-free attendance at DCPS, with the exception of students covered by the McKinney-Vento Act of 2001. DCPS has ultimate discretion in determining whether a student has sufficiently proven DC residency. If DCPS determines that a student is unable to sufficiently prove residency in the District of Columbia, the student will be excluded from attending DCPS tuition-free.

If the student wants another opportunity to prove residency after a non-residency determination, they may seek a reconsideration of the initial decision, but enrollment will not be allowed until the following semester. However, DCPS will consider allowing enrollment in the current semester on a case-by-case basis, depending on the circumstances particular to that student (e.g., whether DCPS is obligated to provide special education services to the student). If a student has been excluded from DCPS based on insufficient proof of District residency, a home visit must be conducted to prove District residency before that student is allowed to enroll within DCPS in the future. In addition, DCPS will refer any suspicions regarding the DC residency of currently enrolled DCPS students to the OSSE Non-Residency investigation unit.

- Learn more about attending DCPS as a non-DC resident on page 34.

## Investigation and Suspicion of Non-DC Residency

All DCPS investigations related to suspicions of non-DC residency of currently enrolled DCPS students are handled by OSSE, which has established a hotline to receive tips and information regarding suspicions related to non-DC residency.

DCPS takes suspicions of non-DC residency extremely seriously. Reasonable suspicions by DCPS school staff and administrators, families, and other concerned citizens should be reported to OSSE. To report allegations of suspicions of non-DC residency to OSSE and request a residency investigation, notify OSSE by [submitting tips online](#) or call (202) 719-6500.

## School Health Requirements

Students in all grades are required to submit a Universal Health Certificate and an Oral Health Assessment annually. The Universal Health Certificate must be completed by the student's physician or nurse practitioner to document all immunizations, needed screenings, and a physical exam performed within 365 days from the start of school. The Oral Health Assessment should be completed by the student's dentist to document the most recent annual visit to

### School Health Questions

Contact DCPS Health Services (202) 664-2002 or [healthservices.dcps@k12.dc.gov](mailto:healthservices.dcps@k12.dc.gov)

---

<sup>11</sup> 42 U.S.C. 11431 et seq.

---

the dentist and identify any additional oral health services a student might need. These forms should be submitted at the time of enrollment and no later than the first day of school unless current valid forms (i.e., documenting visits that occurred within the past 365 days) are already on file with the student's school. The Universal Health Certificate and Oral Health Assessment forms are included in the DCPS enrollment packet found at [EnrollDCPS.dc.gov](https://enrolldcps.dc.gov) or can be picked up from the school nurse.

### *Immunizations*

DC Law requires each student attending DCPS to present valid immunization certification, documenting that they have been immunized in accordance with current DC Health immunization requirements, to their school prior to the first day of classes. Immunization compliance is documented by submitting a completed Universal Health Certificate or a copy of immunization records to the school. Unless you obtain a medical or religious exemption from DC Health, DC law requires your child to receive immunizations to attend school.

Students who do not submit documentation by the first day of school will receive a notification of non-compliance. For SY 22-23, families will have 20 school days from the notification of non-compliance, to submit documentation.

More information about the District Immunization Enforcement Policy is found on OSSE's website at [osse.dc.gov/node/1460386#families](https://osse.dc.gov/node/1460386#families).

More information about immunization requirements or on finding a local pediatric immunization clinic in the District can be found through DC Health at [dchealth.dc.gov/service/immunization](https://dchealth.dc.gov/service/immunization).

### *Medication/Medical Care During the School Day*

Although not required for enrollment, families must turn in additional paperwork, completed by a medical provider, for students requiring medications, medical treatments, or additional medical care while at school. More information is available at [dcps.dc.gov/node/1003562](https://dcps.dc.gov/node/1003562) or from the school nurse.

For questions about school health requirements or meeting student health needs at school, please contact (202) 664-2002 or [healthservices.dcps@k12.dc.gov](mailto:healthservices.dcps@k12.dc.gov) or talk to the school nurse.

### *Athletic Student Enrollment*

Participation in DCPS student athletics is contingent upon successful enrollment into a DCPS school. Until the student completes enrollment into the school, which includes sufficiently proving DC residency, and completes relevant vaccination requirements, the student cannot participate in the school's athletic programs. Failure to adhere to DCPS enrollment policies will result in a student being declared ineligible to participate in interscholastic athletics and the school forfeiting all contests during which an ineligible student participates. For more information, review the DCPS Athletics Handbook via [www.thedciaa.com](http://www.thedciaa.com).

**DCPS Athletics Team Questions**  
[athletics.dcps@k12.dc.gov](mailto:athletics.dcps@k12.dc.gov)

### *Withdrawals*

Compulsory-education aged students may only be withdrawn from DCPS upon request of the parent/guardian/custodian who enrolled the student, unless that parent/guardian/custodian has had their educational rights removed by a court of competent jurisdiction. If a

**Withdrawal Questions**  
*Contact the Withdrawal Team*  
[dcps.withdraw@k12.dc.gov](mailto:dcps.withdraw@k12.dc.gov)

---

student has been enrolled by an Other Primary Caregiver, any parent/guardian/custodian may withdraw the student. To complete a student's withdrawal, DCPS must receive valid confirmation of the student's enrollment into another school or confirmation that an exception to the compulsory education rule applies to the student, for example the student is permanently incapacitated or is under 18 but completed the requirements for a high school diploma. Valid confirmation includes a DCPS withdrawal form completed by the receiving school, official written confirmation from the receiving school that student is enrolled, or a request for records from the receiving school. Additionally, student information will not be released to the receiving school until documentation required for the withdrawal is completed. Students of compulsory age who leave or stop attending school without providing confirmation of enrollment at another school or confirmation that an exception to the compulsory education rule applies to the student will be subject to truancy protocols and processing until confirmation is received. Adult students may withdraw themselves from DCPS at any time and such students are not subject to the truancy and compulsory education requirements explained above.

## Students with Special Enrollment Circumstances

### Section 504 Program

Section 504 is part of the federal Rehabilitation Act of 1973, created to prevent discrimination against individuals with disabilities in

services, programs, and activities that receive federal funds. 504 Plans provide accommodations and related services to eligible students with disabilities so that they can access the general education curriculum, opportunities for learning, and school activities to the same extent as their non-disabled peers.

Every DCPS school has a 504 coordinator, designated by the school principal. The 504 coordinator serves as the school's main point of contact for questions from students, parents, and school staff regarding accommodations and services under Section 504. Upon enrolling in a DCPS school, families should reach out to the school's 504 coordinator if they believe that their student may qualify to receive any accommodations or services through a 504 Plan.

#### Section 504 Questions

Contact the Section 504 and Student Accommodations Team (202) 442-5471 or [504@k12.dc.gov](mailto:504@k12.dc.gov)

Visit: <https://dcps.dc.gov/page/section-504>

### Opportunity Academies

In SY22-23, DCPS will have three Opportunity Academies (Ballou STAY, Luke C. Moore, and Roosevelt STAY) that offer a personalized

competency-based learning program to ensure that all students in the district have a positive pathway to post-secondary success. Students who could benefit from a non-traditional setting may be referred for transfer or may elect to pursue entry to an Opportunity Academy. Transfer priority will be determined based on how many credits a student has earned relative to their first ninth grade year, the intensity of interventions attempted at the current high school and the student and parent/guardian's preference for a transfer. Below is additional information on enrollment guidelines:

#### Opportunity Academy Questions or Referrals

Contact the Student Supports Team

[Student.Placement@k12.dc.gov](mailto:Student.Placement@k12.dc.gov) or (202) 939-2004

- Opportunity Academies are optional; students will not be mandated to attend an Opportunity Academy.
- Opportunity Academies do not participate in the My School DC Lottery process.

- Opportunity Academy students requiring full-time special education programming can be accommodated at Ballou STAY and Luke C. Moore.
- Opportunity Academy Students requiring English Learner services/programming can be accommodated at Roosevelt STAY.
- Students currently enrolled in another DCPS school should go through the referral process for the Opportunity Academies.
- Students who are 17 and under and not enrolled in a DCPS school may pursue Opportunity Academy enrollment through the Student Placement Office.
- Students who are 18 years and older and not currently enrolled in a DCPS school may pursue enrollment directly at any point in the year at an Opportunity Academy and admission will be granted based on available space.
- Opportunity Academies have adopted an alternative enrollment pattern.

For additional information about each of the Opportunity Academies, please reference the [DCPS School Profiles Website](#).

### Embassy Families

If families are residing in embassy-sponsored housing within DC, they can prove DC residency by providing a current embassy letter that explains this, with the embassy seal affixed. The address of the embassy-sponsored housing determines the student's in-boundary school. If families residing in embassy housing within DC want to attend a school other than the in-boundary school zoned for the address of the embassy property, they must apply via the My School DC lottery.

#### Identify A Student's In-Boundary School

Visit: <http://enrolldcps.dc.gov/node/41>  
 Contact the Enrollment Team  
[enroll@k12.dc.gov](mailto:enroll@k12.dc.gov) or (202) 478-5738

### Foreign Exchange Students Seeking Visa Sponsorship

DCPS is not a Student Visitor Exchange Program (SEVP) certified school district. Consequently, DCPS schools are not authorized to sign I-20 forms for foreign exchange students seeking F-1 or M-1 visa sponsorship. For more information, please visit the following link from the Department of Homeland Security's website at [studyinthestates.dhs.gov/school-search](http://studyinthestates.dhs.gov/school-search). Families with additional questions regarding visa sponsorship are encouraged to contact an immigration attorney.

### Immigration Status

DCPS is committed to protecting the right of every student to attend public school regardless of immigration status or national origin. Accordingly, DCPS allows all eligible District of Columbia residents to attend its schools without inquiring about a student's or family's immigration status. For more information, visit [dcps.dc.gov/publication/immigration-guidance](http://dcps.dc.gov/publication/immigration-guidance).

### Mid-Year Application Process

The Mid-Year Application Process is for students in grades PK3 to 12 who move into the District or who seek to transfer from their current school to another DC public school (DCPS or charter) during a given school year. The application is used to apply to all participating My School DC schools. No application is needed for K-12 students who wish to transfer or enroll into their in-boundary school. The mid-year application period extends from October through March before new lottery results are released during any given school year. After lottery results are released, families are still required to apply via My School

---

---

DC. Waitlists are maintained by the DCPS Enrollment Team until the end of the school year. New students or students seeking a transfer must complete a mid-year application by calling the My School DC Hotline at (202) 888-6336. All mid-year applicants MUST receive a waitlist offer before being enrolled.

## Non-DC Residents

DCPS may enroll a non-resident student only if there is space available and no qualified District resident is seeking admittance at that school. Non-DC resident families must submit a My School DC lottery application for a DCPS school,

**For Non-DC Resident Questions**

Contact the Enrollment Team

(202) 478-5738 or [enroll@k12.dc.gov](mailto:enroll@k12.dc.gov)

and a seat will only be granted if there are no DC residents on the school's waitlist. If a family asserting DC residency is unable to prove DC residency at the time of enrollment, the student will be moved to the back of the waitlist behind all other waitlisted DC residents and any other non-DC residents already waitlisted. The DCPS Enrollment Team, the school, or the parent can contact My School DC to have their waitlist adjusted. Additionally, non-resident families must pay tuition in order to attend.<sup>12</sup> OSSE manages the non-DC resident tuition payment process. A family must work directly with OSSE on establishing a tuition payment agreement and making tuition payments. If you intend on enrolling a non-resident student, contact OSSE at [osse.residency@dc.gov](mailto:osse.residency@dc.gov) to notify them of the student. **Non-resident students are not eligible to attend class until OSSE has confirmed that a tuition agreement has been signed and initial tuition payment has been submitted.**

- For information regarding OSSE tuition collection, visit [osse.dc.gov/publication/tuition-collection](https://osse.dc.gov/publication/tuition-collection).

Students that transition from DC resident to non-resident are only eligible to remain enrolled at their DCPS school without re-applying under the following limited circumstances:

- A DCPS student who is enrolled and attending the terminal grade level of a school who becomes a non-resident student during that school year may be approved to finish the year as a tuition-paying student. Continued enrollment is dependent on having a signed tuition agreement and paying non-resident tuition. Contact OSSE for questions at [osse.residency@dc.gov](mailto:osse.residency@dc.gov).
- A DCPS student who would have re-enrolled in the terminal grade level of a school in September, but who became a non-resident student during the school year or summer prior to that final grade year may be approved to continue to attend as a tuition-paying student. Continued enrollment is dependent on having a signed tuition agreement and paying non-resident tuition. Contact OSSE for questions at [osse.residency@dc.gov](mailto:osse.residency@dc.gov).
- A ward of the District of Columbia who is no longer a ward because they were placed in the permanent care and custody of a parent, guardian, or custodian who resides outside of the District of Columbia shall be approved to continue attending their DCPS school that they attended at the time they lost their ward status until the terminal grade of that school. If the former ward was enrolled in DCPS but attended a non-public school through a special education placement at the time they lost their ward status, they may continue attending their non-public school through DCPS through the end of the school year following the year during which they lost ward status<sup>13</sup>. Students in this situation are not required to pay tuition.

6. McKinley Technology High School: [mckinleytech.org](http://mckinleytech.org)
7. Phelps Architecture, Construction and Engineering High School: [phelpshsdc.org](http://phelpshsdc.org)
8. School Without Walls High School: [swwhs.org](http://swwhs.org)

In addition to school websites, you can also review SY22-23 DCPS selective high school and programs application requirements and admissions processes at [enrolldcps.dc.gov/node/46](http://enrolldcps.dc.gov/node/46).

## Citywide, Dual Language, and Montessori Schools/Programs

### Citywide Schools

1. Capitol Hill Montessori @ Logan (PK3-8)
2. Dorothy I. Height Elementary School (PK3-5)
3. Excel Academy (PK3-8)
4. Leckie Education Campus – Middle Grades Only (6-8)
5. Military Road Early Learning Center (PK3-PK4)
6. Ron Brown College Preparatory High School (9-12)
7. School-Within-School (PK3-5)
8. Stevens Early Learning Center (PK3-PK4)

### Dual Language Programs

*Whole School Programs* – all enrolled students participate in the dual language program. There is no English-only option at the school.

1. Bancroft Elementary School (PK3-5)
2. Bruce-Monroe Elementary School (PK3-5)
3. Columbia Heights Education Campus (6-8)
4. Houston Elementary School (PK3-4)
5. Oyster-Adams Bilingual School (PK4-8)
6. Powell Elementary School (PK3-5)

*Elementary Strand Programs* – elementary schools that offer a strand dual language program and a non-dual language program.

---

<sup>14</sup> Students who do not have their previous year's final report card readily available due to recent school closures may be able to use the first advisory report card of the current school year as part of the eligibility determination. Such families should contact the schools directly.

- 
- 
1. Cleveland Elementary School (PK3-5)
  2. Marie Reed Elementary School (PK3-5)
  3. Tyler Elementary School (PK3-5)

## Secondary Programs – Dual Language Programs for Students in Grades 6-12

In addition to our elementary dual language programs, DCPS offers numerous secondary dual language programs in which students take some of their core courses in Spanish. Students enrolling through a Dual Language feeder pattern have the right to enroll in the Dual Language programs at each school. For students entering by lottery, at Columbia Heights Education Campus (9-12) and MacFarland Middle School, there is no separate Dual Language program option in the My School DC lottery. Enrolled students are placed into Dual Language classes based on language proficiency, student interest, and scheduling availability. At Roosevelt HS, students entering the school by lottery may apply to either the Dual Language program or the non-Dual Language program, or both.

## Montessori Programs

*Whole School Program* – all enrolled students participate in the Montessori program.

1. Capitol Hill Montessori @ Logan (PK3-8)

*Strand Programs* – schools that offer a strand Montessori program and also offer a non-Montessori program.

1. Langdon Elementary School (PK3-5)
2. Nalle Elementary School (PK3-5)

## Dual Language Program Enrollment Policies

### *Language Dominance: Enrollment Policy for Grades PK3-1*

Students may attend their right-to-attend school(s) for grades K-12 without applying through the My School DC lottery. To support dual language learning and to ensure access to bilingual services for students who are English Learners, DCPS dual language programs in grades PK3-1 request that lottery applicants identify as “English-dominant” or “Spanish-dominant” on their lottery application. Language dominance is defined as the primary language of communication for the applying student. After the release of lottery results and prior to enrollment, all matched students claiming Spanish-dominance may be assessed for language proficiency. Students who do not meet language proficiency criteria will be placed on the school's English-dominant waitlist according to their random lottery number and any other preferences for which they previously qualified. For more information on language dominance, please see [dcps.dc.gov/DL](https://dcps.dc.gov/DL).

### *Spanish Proficiency Screening: Enrollment Policy for Grades 2-12*

Students may attend their right-to-attend school(s) for grades K-12 without applying through the My School DC lottery. Out-of-boundary lottery applicants who have not previously attended a Spanish dual language program in DCPS or a DC public charter school, and who are not Spanish-speaking English Learners, may be required to take a Spanish-proficiency test, unless they are enrolling in grades 6-8 at Columbia Heights Education Campus (CHEC) late entry program. Testing occurs after lottery matches are released. If the student does not pass the assessment, they will be required to forfeit their match in that school's dual language program. In these cases, at the parent's request, the applicant will be placed back

on the waitlist of all schools where the student was “not waitlisted.” This request must be made to My School DC by the parent and can only be made once the student has failed the Spanish-proficiency test.

Note: If the student does not meet the language requirements, they are ineligible for ALL DCPS dual language programs in that grade, except for grades 6-8 at CHEC’s late entry program, which does not require a Spanish-proficiency assessment for entry.

**Dual Language Strand Enrollment (PK3-5)**

For schools that offer both a Dual Language strand and an English-only (or non-Dual Language strand) **at the elementary school grades**, all new students interested in attending the Dual Language strand must submit a lottery application through My School DC. Students living in-boundary to the school offering the Dual Language strand will receive a preference in the lottery to the Dual Language strand and retain the right to enroll in the in-boundary school at any time, with immediate placement into the non-Dual Language strand. Students currently enrolled in the English-only (or non-Dual Language Strand) strand may apply to the Dual Language strand program offered at their current school, but do not receive a preference based on their current enrollment, unless they happen to be eligible for sibling or in-boundary preferences. The enrollment policies for Language Dominance (PK3-1) and Spanish proficiency screening (grades 2-5) apply for all applicants to Dual Language strand programs.

**Non-Dual Language Alternative School Placement (Sister School) (K-8 Grades)**

For families of compulsory-age students whose in-boundary school is a dual language school without an English-only program option, and where the family does not wish to participate in the dual language program, DCPS provides an alternative option for enrollment. Non-dual language alternative schools do not apply to PK3, PK4, or out-of-boundary students.

Dual Language Program (Grades Without English-Only Option)	Non-Dual Language Alternative (Grades Offered at School)
Bancroft Elementary School (PK3-5)	Tubman Elementary School (PK3-5)
Bruce-Monroe Elementary School (PK3-5)	Raymond Elementary School (PK3-5)
Columbia Heights Education Campus (6-8)	Cardozo Education Campus (6-8)
Houston Elementary School (PK3-4 dual language program growing grade by grade)	Burrville Elementary School (PK3-5)
Oyster-Adams Bilingual School (PK4-8)	School Without Walls at Francis-Stevens (PK3-8)
Powell Elementary School (PK3-5)	Dorothy I. Height Elementary School (PK3-5)

- See page 35 for a full list of dual language schools/programs.

If an in-boundary student is not Spanish proficient in grades 2-8 and the family chooses to enroll the student in the dual language program and forego the non-dual language alternative school option, the school may require the parent to sign a consent waiver acknowledging that they are enrolling their child in a dual language program without the necessary Spanish language proficiency and are aware of the potential academic challenges that the student may face.

### *Non-Dual Language Alternatives for PK3 and PK4*

DCPS does not guarantee a non-dual language alternative to students enrolling in non-compulsory grades (PK3 and PK4). For families of PK3 and PK4 students whose in-boundary school is a dual language school without an English-only program option, and where the family does not wish to participate in the dual language program, the family should apply for a seat in the non-dual language alternative school through the My School DC Lottery. The student may claim sibling preference if they will have a sibling attending the non-dual language alternative school at the time of their enrollment. Students who apply to the alternative school do not receive in-boundary preference at that school.

For more information on Dual Language, Spanish proficiency, and lottery specific questions, visit [dcps.dc.gov/DL](https://dcps.dc.gov/DL).

### **Montessori School Enrollment Policies**

Families who are in-boundary to schools with Montessori programs who are interested in DCPS Montessori programs are encouraged but not required to have previous Montessori experience. Families who are out-of-boundary or enrolling new PK students are still required to apply via My School DC and receive a match or waitlist offer. Families who enroll in DCPS Montessori programs but do not have previous Montessori experience may be expected to participate in a school visit and/or interview, as determined by the school with the Montessori program.
